KEY=MOODY - BRADFORD GLOVER

Autumn: Purification

St. Martin's Griffin A bastard hybrid of War of the Worlds and Night of the Living Dead, the Autumn series chronicles the struggle survivors are forced to contend with in a world torn apart by a deadly disease. 99% of the population of the planet has been killed in less than 24 hours. Animated by "phase two" of some unknown contagion, the dead begin to rise. At first slow, blind, dumb and lumbering, the bodies soon regain their most basic senses and abilities—sight, hearing, locomotion—as well as the instinct toward aggression and violence. Held back only by the restraints of their rapidly decomposing flesh, the dead seem to have only one single goal—to lumber forth and destroy the sole remaining attraction in the silent, lifeless world: those who have survived the plague, who now find themselves outnumbered 1,000,000 to 1... In Autumn: Purification, the heroes from the original Autumn novel and Autumn: The City work together to survive in this horrifying new world. Without ever using the 'Z' word, the Autumn series offers a new perspective on the traditional zombie story. There's no flesh eating, no fast-moving corpses, no gore for gore's sake. Combining the atmosphere and tone of a George Romero film with the attitude and awareness of 28 Days Later, this horrifying and suspenseful novel is filled with relentless cold, dark fear.

Autumn: The City

Hachette UK AUTUMN is a self-publishing phenomenon which has been downloaded more than half a million times since publication in 2001 and has spawned a series of sequels and a movie starring Dexter Fletcher and David Carradine. Film rights to HATER, another book by Moody, have been bought by Guillermo del Toro (HELLBOY, PAN'S LABYRINTH) and Mark Johnson (producer of the CHRONICLES OF NARNIA films). A disease of unimaginable ferocity has torn across the face of the planet leaving billions dead. A small group of survivors shelter in the remains of a devastated city, hiding in terror as the full effects of the horrific infection start to become clear. The sudden appearance of a company of soldiers again threatens the survivors' fragile existence. Do they bring with them hope, help and answers, or more pain, fear and suffering?

Disintegration

Forty days have passed since the end of the world began. Billions of people were killed in less than half a day and now the entire world is rotting. Everything is disintegrating . . . Survivors are few and far between in this deadly environment, and those who are still alive are forced to deal with a nightmare situation: the scale of the devastation is unprecedented. The shadowy landscape is swarming with the dead, their decaying bodies deteriorating day by day. Limited by their appalling physical condition, the only emotions they are able to display are anger, rage and hate and yet, remarkably, they are becoming more controlled. They are becoming self-aware, and they will defend themselves at all costs. A group of eleven men and woman have managed to survive against the odds, protected by the geography of the land and sheltering in a derelict block of flats. They have been surrounded for weeks, but they have always been in control. Until now. For the bodies are advancing. The situation is changing.

Autumn

St. Martin's Griffin A bastard hybrid of *War of the Worlds* and *Night of the Living Dead*, *Autumn* chronicles the struggle of a small group of survivors forced to contend with a world torn apart by a deadly disease. After 99% of the population of the planet is killed in less than 24 hours, for the very few who have managed to stay alive, things are about to get much worse. Animated by "phase two" of some unknown contagion, the dead begin to rise. At first slow, blind, dumb and lumbering, quickly the bodies regain their most basic senses and abilities... sight, hearing, locomotion... As well as the instinct toward aggression and violence. Held back only by the restraints of their rapidly decomposing flesh, the dead seem to have only one single goal - to lumber forth and destroy the sole remaining attraction in the silent, lifeless world: those who have survived the plague, who now find themselves outnumbered 1,000,000 to 1... Without ever using the 'Z' word, *Autumn* offers a new perspective on the traditional zombie story. There's no flesh eating, no fast-moving corpses, no gore for gore's sake. Combining the atmosphere and tone of George Romero's classic living dead films with the attitude and awareness of *28 Days (and Weeks)* later, this horrifying and suspenseful novel is filled with relentless cold, dark fear.

Dog Blood

Hachette UK The world has suffered a catastrophe of unknown cause, dividing humankind into two: the Haters and the Unchanged. Each group believes the other to be the enemy; each group is fighting for survival. Only by working together can the enemy - whoever that enemy is - be defeated. There are no other choices. Danny McCoyne has managed to break free, and after days of indiscriminate fighting and killing, he is determined to make his way home, to reclaim the only thing of any value to him in this strange new world: his daughter Ellis. Unlike his wife and son, Ellis is like him, and he knows, in his heart of hearts, that she is not dead. His dearest wish is for Ellis to be fighting for the world at his side - but Danny soon discovers his daughter is worth far more than just another fighting body. Others like him have discovered that children are absolutely vital to the cause. They are strong, small, fast, and they have no inhibitions. They are pure Haters . . .

Thunder and Ashes

Simon and Schuster A LOT CAN CHANGE IN THREE MONTHS: Wars can be decided, nations can be forged . . . or entire species can be brought to the brink of annihilation. The Morningstar virus has swept the face of the planet, infecting billions. Its hosts rampage; its victims don't die, but are reborn as cannibalistic shamblers. SCATTERED ACROSS THE WORLD, EMBATTLED GROUPS HAVE PERSEVERED. For some, survival is the pinnacle of achievement. Others hoard goods and weapons. And still others leverage power over the remnants of humanity with a mysterious cure. Francis Sherman and Anna Demilio want only a vaccine, but to find it they must cross a ravaged landscape of the infected and the lawless living. THE BULK OF THE STORM HAS PASSED, leaving echoing thunder and softly drifting ashes. But for the survivors, the peril remains, and the search for a cure is just beginning. . . . Returning to the terrifying vision of his "awesome zombie novel" (*David Moody*) *Plague of the Dead*, Z.A. Recht "will once again make you turn your lights on" (*J.L. Bourne*) with this chilling apocalyptic thriller.

Zombie, Ohio

A Tale of the Undead

Simon and Schuster This clever horror thriller offers "a darkly humorous depiction of one zombie's struggle for enlightenment and redemption."—*Publishers Weekly* When Peter Mellor, a college professor in the rural town of Gant, Ohio, gets into in an automobile accident during a zombie outbreak, he comes to with a slight case of amnesia. What's worse, he's also dead. With society crumbling around him and violence escalating into daily life, Peter quickly learns that being a zombie isn't all fun and brains. Humans—generally unsympathetic—try to kill him at nearly every opportunity. His old friends are loath to associate with him. And he finds himself getting "hungry" at the most inconvenient times. And though a large part of his skull is missing, Peter is still able to decipher the most troubling aspect of his new condition: his accident was no accident at all. Faced with the harrowing mystery of his death, Peter must solve his own murder. Battling the avenging "breathers" and the inevitability of his own rotting flesh, Peter better act fast—while the odds of success are still on the dead. "A delicious slice of undead Americana" (*Jonathan Maberry*, *New York Times* bestselling author of *Patient Zero*), *Zombie, Ohio* is an outstanding blend of action and witty insight for fans of *Shaun of the Dead*. "George Romero, director of the original *Night of the Living Dead* and its sequels, should snap up the rights to this novel...combines humor with horror in a way that is guaranteed to make any zombie fan stand up and shout, "Braaaaaains!"—*Booklist*

Autumn: The Human Condition

Infected Books David Moody presents the final book in the acclaimed AUTUMN series. The human race is finished. Mankind is all but dead and only a handful of frightened individuals remain. These people have survived through chance, not skill, and they are a desperate bunch: cheating lovers, workshy civil servants, permanently drunk publicans, teenage rebels, obsessive accountants, failed husbands, first-time cross-dressers, disrobed priests and more... Experience the end of the world as seen from almost fifty different perspectives.

Direct Action

An Ethnography

AK Press A radical anthropologist studies the global justice movement.

Red Rain

A Novel

Simon and Schuster The New York Times bestselling author of the Goosebumps and Fear Street series delivers a terrifying horror novel for adults centered on a town in the grip of a sinister revolt. After travel writer Lea Sutter barely survives a merciless hurricane on a tiny island off the South Carolina coast, she impulsively brings two orphaned twin boys home with her to Long Island. Samuel and Daniel seem amiable and intensely grateful at first, but no one in Lea's family anticipates the twins' true evil nature—or predicts that within a few weeks' time her husband, a controversial child psychologist, will be implicated in two brutal murders. "The horror is grisly" (Associated Press) in legendary author R.L. Stine's "creepy, fun read" (Library Journal)—an homage to the millions of adult fans who grew up reading his classic series and a must-read for every fan of deviously inventive chillers.

Autumn: Dawn

Autumn: The London Trilogy WELCOME TO LONDON Population seven million 99.9% of them dead The survival of the rest balanced on a knife-edge THE WORLD IS DEAD Two months ago, billions of people were killed by a deadly germ. Days later, they rose up again in massive numbers. Since then, cities worldwide have become corpse-filled, rat-infested, germ-choked hellholes. A group of people are trapped in central London, hopelessly outnumbered by the dead. They hear rumours of a safe haven in the north - a self-sufficient community where people from across the country have gathered to try and rebuild their lives. But the decaying ruins of the capital are vast and sprawling, and they're going to need an army to get away from this place. There are other people here, waiting in the shadows to be found. Can enough of them band together to make a difference, or has the country - maybe even the entire world - already been lost to the dead? The first book a new trilogy of novels set in the dystopian world of David Moody's best-selling AUTUMN survival horror series.

Deck Z: The Titanic

Unsinkable. Undead

Chronicle Books "The year is 1912. Theodore Weiss, a German scientist, has discovered a strange new plague that ravages its victims, transforming them into soulless, flesh-hungry monsters"--P. [4] of cover.

Johannes Cabal the Necromancer

Hachette UK The start of a fantastic new series. Johannes Cabal has never pretended to be a hero of any kind. There is, after all, little heroic about robbing graves, stealing occult volumes, and being on nodding terms with demons. His purpose, however, is noble. His researches are all directed to raising the dead. Not as monstrosities but as people, just as they were when they lived: physically, mentally, and spiritually. For such a prize, some sacrifices are necessary. One such sacrifice was his own soul, but he now sees that was a mistake - it's not just that he needs it for his research to have validity, but now he realises he needs it to be himself. Unfortunately, his soul now rests within the festering bureaucracy of Hell. Satan may be cruel and capricious but, most dangerously, he is bored. It is Cabal's unhappy lot to provide him with amusement. In short, a wager: in return for his own soul, Cabal must gather one hundred others. Placed in control of a diabolical carnival - created to tempt to contentiousness, to blasphemy, argumentation and murder, but one may also win coconuts - and armed only with his intelligence, a very large handgun, and a total absence of whimsy, Cabal has one year. One year to beat the Devil at his own game. And isn't that perhaps just a little heroic?

Autumn: Aftermath

Hachette UK It's been almost one hundred days since a killer disease wiped out 99% of the population. Three months since the dead reanimated. Survivors are few and far between now, and those who remain stick together to give themselves the best possible chance of continuing to stay alive. They are the last of the living. A band of refugees has taken shelter in a medieval castle - a fortress that has stood strong for hundreds of years. Besieged by the dead, they only emerge when it's absolutely necessary. As autumn turns to winter, however, the balance of power slowly begins to shift. The unexpected appearance of survivors from another group changes everything. They bring choice, and an alternative way of life which is a far cry from the world everyone has been forced to leave behind. Society as we know it has crumbled beyond repair and things will never be the same again. Some people are ready to embrace this change, others can't let go of the past. The choice is divisive. Are we entering mankind's final days? In the aftermath of the disease, will the last survivors destroy each other, or will the dead destroy them all?

Handling the Undead

Hachette UK In the city morgue, the dead are waking up... What do they want? What everybody wants: to come home 'Reminiscent of Stephen King at his best. Best read by sunlight' Independent on Sunday Something peculiar is happening. Stockholm is enduring a heatwave, electrical appliances cannot be switched off and everyone has a blinding headache. Then the terrible news breaks - in the city morgue, the dead are waking... David always knew his wife was far too good for him. But he never knew how lost he'd be without her until tonight when her car hit an elk. Now she's gone and he's alone. But when he goes to identify her body, she begins to move. It's terrifying, but it gives David a strange kind of hope. Across the city, grieving families find themselves able to see their loved-ones one last time. But are these creatures really them? How long can this last? And what does it all mean?

The Dying of the Light: Interval

Grey Gecko Press The world has ended, and the few who are left struggle day by day to survive. They hoped that the worst thing they would have to deal with in this new world would be the walkers, come to rip and tear and kill. They were wrong. There are worse things than zombies. A refuge for the last remnants of the United States has gone silent and dark, while another has succumbed to the basest parts of human nature. Yet all is not lost, for in the farthest and coldest corner of the globe, marooned in an icy prison, a scientist has made a stunning breakthrough. A desperate rescue mission is launched to bring back the one person who can save them all, but the trip is long and dangerous, and its fate is uncertain.

Golden Boy

A Novel

Simon and Schuster Presenting themselves to the world as an effortlessly excellent family, successful criminal lawyer Karen, her Parliament candidate husband and her intelligent athlete son, Max, find their world crumbling in the wake of a friend's betrayal and the secret about Max's intersexual identity.

The First Days (As the World Dies, Book One)

Tor Books Rhiannon Frater's *As the World Dies* trilogy is an internet sensation. The first two books, *The First Days* and *Fighting to Survive*, have won the Dead Letter Award for Best Novel from Mail Order Zombie. *The First Days* was named one of the Best Zombie Books of the Decade by the Harrisburg Book Examiner. AmericanHorrorBlog calls Rhiannon Frater "a writer to watch." The morning that the world ends, Katie is getting ready for court and housewife Jenni is taking care of her family. Less than two hours later, they are fleeing for their lives from a zombie horde. Thrown together by circumstance, Jenni and Katie become a powerful zombie-killing partnership, mowing down zombies as they rescue Jenni's stepson, Jason, from an infected campground. They find sanctuary in a tiny, roughly fortified Texas town. There Jenni and Katie find they are both attracted to Travis, leader of the survivors; and the refugees must slaughter people they know, who have returned in zombie form. Fast-paced and exciting, filled with characters who grab your heart, *The First Days: As the World Dies* is the beginning of a frightening trilogy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

One of Us Will Be Dead by Morning

St. Martin's Press In *One of Us Will Be Dead by Morning*, David Moody returns to the world of his Hater trilogy with a new fast-paced, and wonderfully dark story about humanity's fight for survival in the face of the impending apocalypse. The fewer left alive, the higher the stakes. Kill the others, before one of them kills you. Fourteen people are trapped on Skek, a barren island in the middle of the North Sea somewhere between the coasts of the UK and Denmark. Over the years this place has served many purposes—a fishing settlement, a military outpost, a scientific base—but one by one its inhabitants have abandoned its inhospitable shores. Today it's home to Hazleton Adventure Experiences, an extreme sports company specializing in corporate team building events. Life there is fragile and tough. One slip is all it takes. A momentary lapse leads to a tragic accident, but when the body count quickly starts to rise, questions are inevitably asked. Are the deaths coincidental, or something else entirely? Those people you thought you knew, can you really trust them? Is the person standing next to you a killer? Will you be their next victim? A horrific discovery changes everything, and a trickle of rumors becomes a tsunami of fear. Is this the beginning of the end of everything, or a situation constructed by the mass hysteria of a handful of desperate and terrified people?

Contagious

A Novel

Crown From the acclaimed author of *Infected* comes an epic and exhilarating story of humanity's secret battle against a horrific enemy. Across America, a mysterious pathogen transforms ordinary people into raging killers, psychopaths driven by a terrifying, alien agenda. The human race fights back, yet after every battle the disease responds, adapts, using sophisticated strategies and brilliant ruses to fool its pursuers. The only possible explanation: the epidemic is driven not by evolution but by some malevolent intelligence. Standing against this unimaginable threat is a small group, assembled under the strictest secrecy. Their best weapon is hulking former football star Perry Dawsey, left psychologically shattered by his own struggles with this terrible enemy, who possesses an unexplainable ability to locate the disease's hosts. Violent and unpredictable, Perry is both the nation's best hope and a terrifying liability. Hardened CIA veteran Dew Phillips must somehow forge a connection with him if they're going to stand a chance against this maddeningly adaptable opponent. Alongside them is Margaret Montoya, a brilliant epidemiologist who fights for a cure even as she reels under the weight of endless horrors. These three and their team have kept humanity in the game, but that's not good enough anymore, not when the disease turns contagious, triggering a fast countdown to Armageddon. Meanwhile, other enemies join the battle, and a new threat — one that comes from a most unexpected source — may ultimately prove the most dangerous of all. Catapulting the reader into a world where humanity's life span is measured in hours and the president's finger hovers over the nuclear button, rising star Scott Sigler takes us on a breathtaking, hyper-adrenalized ride filled with terror and jaw-dropping action. *Contagious* is a truly grand work of suspense, science, and horror from a new master.

Survivors

Simon and Schuster The long-awaited finale of Z.A. Recht's "action-packed zombie extravaganza" (Ryan C. Thomas) that began with the acclaimed novels *Plague of the Dead* and *Thunder and Ashes*. . . . THE MORNINGSTAR STRAIN WAS THE END OF THE WORLD. In the wake of the zombie apocalypse, two separate bands of survivors journey across a decimated America, each with the desperate goal of finding the cure for the virulent plague that threatens the existence of humankind—or what's left of it. Now it's up to these inheritors of the future to outlive their waking nightmare, any way they can. BUT

FOR THESE SURVIVORS, IT IS JUST THE BEGINNING. One group includes a brilliant virologist; for the other, an immune soldier proves invaluable. Battling infected and marauding raiders at every turn, the teams soon uncover the devious plans of Sawyer, an agent of the Chairman of the Reunited States of America, who believes that Dr. Anna Demilio already has the cure, and he will stop at nothing to find her. Now, with the salvation of the world and their own souls on the line, how far will the survivors go to emerge victorious?

All Roads End Here

St. Martin's Griffin The second book in the new series from Hater author David Moody. Set in the world of David Moody's Hater trilogy, All Roads End Here is the sequel to the "top drawer horror" (Booklist, starred review) One of Us Will Be Dead by Morning. It's taken Matthew Dunne almost three months to get home. Never more than a few meters from the Haters at any time, every single step has been fraught with danger. But he's made it. In his absence, his home city has become a sprawling, walled-off refugee camp. But the camp--and the entire world beyond its borders--is balanced on a knife-edge. During his time in the wilderness, Matt developed a skill which is in high demand: the ability to anticipate and predict Hater behavior. It's these skills that will thrust him into a web of subterfuge and danger. As the pressure mounts inside the camp, he finds himself under scrutiny from all sides. He's always done his best to avoid trouble, but sometimes it can't be helped. The shit's about to hit the fan, and this time Matt's right at the epicenter. All Roads End Here is a fast-paced, and wonderfully dark story about humanity's fight for survival in the face of the impending apocalypse.

Monster Island

A Zombie Novel

Open Road Media First in the cult classic trilogy: "A fantastic zombie novel . . . There are many layers to this zombie apocalypse, and this book just gets things rolling" (Booklist). Welcome to New York City, Population Zero? The power grid has collapsed. There is no running water, no light, no heat. The massive neon signs of Times Square are dark now, and the subway trains crouch silent in their tunnels, waiting for commuters who will never return. An epidemic of staggering lethality has passed over the city and left nothing living in its wake. And yet the city is not deserted. The dead have returned to life, and they're hungry. The millions of people who once worked and lived in New York have been turned into cannibalistic monsters whose only function is to consume. No living person would dare enter the city--it would be suicide. Dekalb doesn't have a choice. He must protect his daughter's future, and that means retrieving vital medical supplies from the UN building in Midtown. A cadre of teenage girl soldiers have been recruited to help him find what he needs, and get back alive. They're well armed. They're devoted to their mission and willing to sacrifice anything to pull it off. But the odds against them are staggering. Especially when it turns out that not all zombies are created equal. Deep inside the city a medical student named Gary comes back from the dead different--his mind is intact. He can still think and feel. He's hungry, just like the rest, but unlike them he can plan, plot, and scheme. He can even lead the others, bending them to his will. Soon he has a small army at his command, a growing mob of rotting corpses all devoted to one cause: to find meat for their master. When Dekalb and Gary cross paths sparks will fly, destinies will clash--and the future of humanity will be decided, one head shot at a time.

ZOM-B

Simon and Schuster Zom-Bis a radical new series about a zombie apocalypse, told in the first person by one of its victims. The series combines classic Shan action with a fiendishly twisting plot and hard-hitting and thought-provoking moral questions dealing with racism, abuse of power and more. As Darren says, "It's a big, sprawling, vicious tale... a grisly piece of escapism, and a barbed look at the world in which we live. Each book in the series is short, fast-paced and bloody. A high body-count is guaranteed!" Can you love a bullying racist thug if he's your father? How do you react when confronted with your darkest inner demons? What do you do when zombies attack? B Smith is about to find out...

Sophie's World

Hachette UK The international bestseller about life, the universe and everything. When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

Urban Drainage

CRC Press Urban Drainage has been thoroughly revised and updated to reflect changes in the practice and priorities of urban drainage. New and expanded coverage includes: Sewer flooding The impact of climate change Flooding models The move towards sustainability Providing a descriptive overview of the issues involved as well as the engineering principles and analysis, it draws on real-world examples as well as models to support and demonstrate the key issues facing engineers dealing with drainage issues. It also deals with both the design of new drainage systems and the analysis and upgrading of existing infrastructure. This is a unique and essential textbook for students of water, environmental, and public health engineering as well as a valuable resource for practising engineers.

Them or Us

A Novel

Macmillan The pulse-pounding conclusion to the HATER trilogy! The war that has torn the human race apart is finally nearing its end. With most towns and cities now uninhabitable, and with the country in the grip of a savage nuclear winter, both Hater and Unchanged alike struggle to survive. Hundreds of Hater fighters have settled on the East Coast in the abandoned remains of a relatively undamaged town under the command of Hinchcliffe---who'll stop at nothing to eradicate the last few Unchanged and consolidate his position at the top of this new world order. This fledgling society is harsh and unforgiving---your place in the ranks is decided by how long and how hard you're prepared to fight. Danny McCoyne is the exception to the rule. His ability to hold the Hate and to use it to hunt out the remaining Unchanged has given him a unique position in Hinchcliffe's army of fighters. As the enemy's numbers reduce, so the pressure on McCoyne increases, until he finds himself at the very center of a pivotal confrontation, the outcome of which will have repercussions on the future of everyone who is left alive.

The Bleed

Rapture

THE BLEED is attacking on several fronts and through different realities at once. The survivors of numerous battles are brought together through a series of ancient clockwork rooms, and their individual experiences combine to paint a picture of a multiverse on the brink of total annihilation. Gods and mortals fight alongside each other on the streets and among the stars, struggling to hold back the armies of demons doing the bidding of THE BLEED. Whole worlds are lost. Others are sacrificed. Thousands are ready to fight, but millions more offer themselves up to the gods, praying that The Rapture will bring them salvation. In the midst of it all just a handful of survivors scattered across the multiverse are aware of what's at stake and how they can avoid Armageddon. But with the odds stacked against them and impossible distances between them, will they be able to come together and turn the bloody tide against THE BLEED? IT ALWAYS BLEEDS THROUGH. THREE WORLDS. THREE AUTHORS. THE MOTHER OF ALL APOCALYPSES.

The Cost of Living

Infected Books A survival horror story from the author of the best-selling AUTUMN and HATER novels. The world is dying. An abhorrent epidemic is sweeping the globe, destroying everything it touches. Contact with even a single drop of contaminated blood or saliva is enough to spread the disease. Within hours even the healthiest people are transformed into hideous, germ-spewing creatures. They hunt out the uninfected in their tens of thousands, their sole purpose to continue spreading the infection. On a recently-built housing development on the outskirts of a large city, one man will stop at nothing to protect his family from the coming storm. Stuart has been one step ahead of the game from the beginning. His garage is stocked high with supplies, the doors and windows of his home fortified, weapons held ready in case of attack. With each passing minute, there are more and more infected surrounding the house. With each passing minute, Stuart and his family have less food and water available. Some time very soon, the balance of power will inevitably shift. But Stuart won't give up on his family, no matter what the cost. THE COST OF LIVING and ISOLATION are available in a combined and expanded edition from Infected Books entitled LAST OF THE LIVING.

Harry Potter and the Order of the Phoenix

It's time to PASS THE MAGIC ON ...

The Last Big Thing

Infected Books A collection of dark short stories in the spirit of The Twilight Zone from the author of the AUTUMN and HATER novels.

Wuthering Heights

Diamond Pocket Books Pvt Ltd Emily Bronte was an English novelist & poet, who is best known for her only novel, "Wuthering Heights: She has written poems also such as - 'Poems by Currer, Ellis and Action Bell', 'A Death Scene', 'To a Wreath of Snow, and lots Many. 'Wuthering Heights' is a highly imaginative work of passion and hate. Author was interested in mysticism and used to enjoy her solitude outdoors. This novel consists of those elements. It is now considered a classic of English literature. It was published under the pseudonym - "Ellis Bell" The story is full of high creativity and very imaginative. It narrates revenge also. It revolves around the main character, Heathcliff. Wuthering Heights is his farmhouse. Heathcliff is a young orphan, who was brought by Earnshaw at Wuthering Heights, 30 years ago. Earnshaw loves him (Heathcliff) so much, even neglects his own children. After death of Earnshaw, his elder son Hindley becomes the new master of Wuthering Heights and he allows Heathcliff to stay there only as a servant. Catherine is in love with Heathcliff, but doesn't show due to her social statue. The story thus seems very interesting and it ends with sights of the ghosts of Catherine and Heathcliff. It consists of many ups and downs Readers will Surely going to enjoy the novel. It's Heartthrobing and it's very difficult to getup without reading the novel - fully.

A Prayer for the Dying

Wheeler Publishing, Incorporated US National Book Award Finalist. Set in Wisconsin, just after the Civil War. Slowly events reveal themselves as sinister and bloom gently into a shared nightmare, as one neighbour after another succumbs to a creeping, always fatal disease. Jacob Hansen the sheriff, undertake and pastor must find a humane way to save those he loves as the disease engulfs his town, breeding hysteria. A Prayer for the Dying is a rare and scary book, Steward O'Nan's most astounding achievement yet.

Around the Tea-table

Where Decay Sleeps

Hater

Hachette UK REMAIN CALM DO NOT PANIC TAKE SHELTER WAIT FOR FURTHER INSTRUCTIONS THE SITUATION IS UNDER CONTROL Society is rocked by a sudden increase in the number of violent assaults on individuals. Christened 'Haters' by the media, the attackers strike without warning. The assaults are brutal, remorseless and extreme: within seconds, normally rational, self-controlled people are becoming maddened, vicious killers. There are no apparent links as a hundred random attacks become a thousand, and then thousands, right across the country. Everyone, irrespective of gender, age, race, sexuality or any other difference, has the potential to become a victim - or a Hater. People are afraid to go to work, afraid to leave their homes and, increasingly, afraid that at any moment their friends, even their closest family, could turn on them with murderous intent. By the end of today you could be dead. By the end of today you could be a killer. Attack first, ask questions later ... but the

answer might not be what you expect ...

The Big Book of Words You Should Know

Over 3,000 Words Every Person Should be Able to Use (And a few that you probably shouldn't)

Simon and Schuster Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.

The Return Man

Hachette UK The outbreak tore the USA in two. The east remains a safe haven. The west has become a ravaged wilderness. They call it the Evacuated States. It is here that Henry Marco makes his living. Hired by grieving relatives, he tracks down the dead to deliver peace. Now Homeland Security wants Marco, for a mission unlike any other. He must return to California, where the apocalypse began. Where a secret is hidden. And where his own tragic past waits to punish him again. But in the wastelands of America, you never know who - or what - is watching you . . . 'Hands down one of the best zombie novels I've read in a long, long time.' David Moody, author of Autumn

The Forty Rules of Love

Penguin UK *The international bestseller* "Every true love and friendship is a story of unexpected transformation. If we are the same person before and after we loved, that means we haven't loved enough..." Ella Rubinstein has a husband, three teenage children, and a pleasant home. Everything that should make her confident and fulfilled. Yet there is an emptiness at the heart of Ella's life - an emptiness once filled by love. So when Ella reads a manuscript about the thirteenth-century Sufi poet Rumi and Shams of Tabriz, and his forty rules of life and love, her world is turned upside down. She embarks on a journey to meet the mysterious author of this work. It is a quest infused with Sufi mysticism and verse, taking Ella and us into an exotic world where faith and love are heartbreakingly explored. . . 'Enlightening, enthralling. An affecting paean to faith and love' Metro 'Colourfully woven and beguilingly intelligent' Daily Telegraph 'The past and present fit together beautifully in a passionate defence of passion itself' The Times

Hand to Mouth

Faber & Faber 'One of the most original and audacious autobiographies ever written by a writer.' Le Monde Hand to Mouth tells the story of the young Paul Auster's struggle to stay afloat. By turns poignant and comic, Auster's memoir is essentially a book about money - and what it means not to have it. From one odd job to the next, from one failed scheme to another, Auster investigates his own stubborn compulsion to make art and, in the process, treats us to a series of remarkable adventures and unforgettable encounters. The book ends with three of the longest footnotes in literary history: a card game, a thriller about baseball, and three short plays. Hand to Mouth is essential reading for anyone interested in Paul Auster, in the figure of the struggling artist, in the nature of poverty, or in baseball.
