INFINITE LOVE IS THE ONLY TRUTH, EVERYTHING ELSE IS ILLUSION

EXPOSING THE DREAMWORLD WE BELIEVE TO BE "REAL"

THE ANSWER

THE EAGLE AND THE DRAGON

GLOBALIZATION AND EUROPEAN DREAMS OF CONQUEST IN CHINA AND AMERICA IN THE SIXTEENTH CENTURY

John Wiley & Sons In this important new book the renowned historian Serge Gruzinski returns to two episodes in the sixteenth century which mark a decisive stage in global history and show how China and Mexico experienced the expansion of Europe. In the early 1520s, Magellan set sail for Asia by the Western route, Cortes seized Mexico and some Portuguese based in Malacca dreamed of colonizing China. The Aztec Eagle was destroyed but the Chinese Dragon held strong and repelled the invaders - after first seizing their cannon. For the first time, people from three continents encountered one other, confronted one other and their lives became entangled. These events were of great interest to contemporaries and many people at the time grasped the magnitude of what was going on around them. The Iberians succeeded in America and failed in China. The New World became inseparable from the Europeans who were to conquer it, while the Celestial Empire became, for a long time to come, an unattainable goal. Gruzinski explores this encounter between civilizations that were different from one another but that already fascinated contemporaries, and he shows that our world today bears the mark of this distant age. For it was in the sixteenth century that human history began to be played out on a global stage. It was then that connections between different parts of the world began to accelerate, not only between Europe and the Americas but also between Europe and China. This is what is revealed by a global history of the sixteenth century, conceived as another way of reading the Renaissance, less Eurocentric and more in tune with our age.

WE'LL ALWAYS HAVE SUMMER

Simon and Schuster The summer after her first year of college, Isobel "Belly" Conklin is faced with a choice between Jeremiah and Conrad Fisher, brothers she has always loved, when Jeremiah proposes marriage and Conrad confesses that he still loves her.

PHANTOM SELF

The vast majority of us unknowingly suffer from a slave mentality. We constantly experience the psychological phenomena of cognitive dissonance, where our beliefs and behaviour are in conflict, and Stockholm syndrome - the traumatic bonding with a captor. Our ability to decode reality is linked to what we are able to perceive. Icke believes our reality has been hijacked by an invisible force the Gnostics used to call Archons. He maintains that we are headed towards a cashless world and human settlements which are projected as local community initiatives but are actually centralized systems of control. Our health is being systematically weakened: if you are sick, you are easier to control. Icke's dystopian view of the future assumes that the masses will stay glued to their TVs, locked forever into the hive mind of the Matrix, which says "I have no power". Can humanity break free? Through truth and love we can become who and what we really are.

THE SECOND MEDIA AGE

John Wiley & Sons This book examines the implications of new communication technologies in the light of the most recent work in social and cultural theory and argues that new developments in electronic media, such as the Internet and Virtual Reality, justify the designation of a "second media age".

THE DESIRE OF AGES

Lulu.com Another book in the series of theological interpretations of the Seventh Day Adventists, this book cover the life and ministry of Jesus and she tells quite a different story about Jesus compared to the rest of her contemporaries since she heavily relies on mystical experience in order to make her theological conclusions. Like her other books this one has been fought against by theologians in all times but helps to make us realize what is God's truth.

A THOUSAND PIECES OF YOU

Harper Collins Cloud Atlas meets Orphan Black in this epic dimension-bending trilogy by New York Times bestselling author Claudia Gray about a girl who must chase her father's killer through multiple dimensions. Marguerite Caine's physicist parents are known for their groundbreaking achievements. Their most astonishing invention, called the Firebird, allows users to jump into multiple universes—and promises to revolutionize science forever. But then Marguerite's father is murdered, and the killer—her parent's handsome, enigmatic assistant Paul— escapes into another dimension before the law can touch him. Marguerite refuses to let the man who destroyed her family go free. So she races after Paul through different universes, always leaping into another version of herself. But she also meets alternate versions of the people she knows—including Paul, whose life entangles with hers in increasingly familiar ways. Before long she begins to question Paul's guilt—as well as her own heart. And soon she discovers the truth behind her father's death is far more sinister than she expected. A Thousand Pieces of You explores an amazingly intricate multi-universe where fate is unavoidable, the truth elusive, and love the greatest mystery of all.

TRUTH WITH LOVE

THE APOLOGETICS OF FRANCIS SCHAEFFER

Crossway Francis Schaeffer was a well-known, extremely influential apologist and thinker who made his mark defending orthodox truth in the face of strong opposition. He was foremost in the vocation of apologetic ministry, and he was a brilliant man whom God used mightily during the decades of the 1960s, 70s, and 80s. In Truth with Love, Bryan Follis explores the theology and thinking that fueled the ministry of Francis Schaeffer, from his Reformed position to his understanding of fundamentalism. Follis examines Schaeffer's apologetic argument and the role of reason in his discussions and writings. The position Francis Schaeffer took against modernism and its applicability in this day of postmodernism are studied as well. This book is a beneficial resource for any Francis Schaeffer fan and any minister, teacher, or student who appreciates truth and its defense in the face of different kinds of opposition.

GLOBAL MEDIA STUDIES

AN ETHNOGRAPHIC PERSPECTIVE

Routledge Global Media Studies explores the theoretical and methodological threats that are defining global media studies as a discipline. Emphasizing the connection of globalisation to local culture, this collection considers the diversity of modes of reception, reception contexts, uses of media content, and the performative and creative relationships that audiences develop with and through the media. Through ethnographic case studies from Brazil, Denmark, the UK, Japan, Lebanon, Mexico, South Africa, Turkey and the United States, the contributors address such questions as: what links media consumption to a lived global culture; what role cultural tradition plays globally in confronting transnational power; how global elements of mediated messages acquire class; and regional and local characteristics.

THE PERCEPTION DECEPTION

OR IT'S ALL BOLLOCKS -- YES, ALL OF IT

"Icke lays out in dot-connected detail a lifetime of research and insight about our 'computer'-simulated reality, the holographic universe, and the hidden non-human forces that are manipulating human life via hybrid bloodline families and networks into a global Orwellian state of total control"--P. [4] of cover.

LETTERS TO MILENA

Random House Franz Kafka's letters to his one-time muse, Milena Jesenska - an intimate window into the desires and hopes of the twentieth-century's most prophetic and important writer Kafka first made the acquaintance of Milena Jesenska in 1920 when she was translating his early short prose into Czech, and their relationship quickly developed into a deep attachment. Such was his feeling for her that Kafka showed her his diaries and, in doing so, laid bare his heart and his conscience. While at times Milena's 'genius for living' gave Kafka new life, it ultimately exhausted him, and their relationship was to last little over two years. In 1924 Kafka died in a sanatorium near Vienna, and Milena died in 1944 at the hands of the Nazis, leaving these letters as a moving record of their relationship.

SILHOUETTE

Createspace Independent Publishing Platform "Daddy, what is a white lie?" My father put down his spoon and looked at me thoughtfully. "Why'd you ask, Princess?" "I heard you talking yesterday and you said 'one more white lie isn't going to make a difference.' I just want to know what you meant." "You heard that, huh?" My father tilted his head to study me. "It's just a small lie you tell when you don't want to hurt someone's feelings. It's nothing for you to worry about." My eyes grew wide. "Like when you told Aunt Rena that her pie was good even though it tasted icky?" "Exactly." He smiled. "Or when you told the man last week that you hadn't seen Uncle Bruno and you had?" The smile fell from his face and he straightened in his chair. "No, Princess, that was a different kind of lie." Scrunching up my nose, I asked, "What kind of lie was that?" My father swallowed hard before replying. "That's the kind of lie where you have to have a real good memory." As an inquisitive child, the woman known as Clarissa Solano, could never have imagined how significant those words would become. That she would spend years twisting the truth: hoping and praying that she would not contradict herself and expose the secrets she keeps locked inside. Most of the people in her life don't really know her at all. She forces them to swallow her lies, but she is the one who feels the bitter aftertaste of deception. When Lane Hunter sweeps into her life, she finds herself opening up in ways she never thought possible. He sees beyond the facade to the woman beneath and knows instantly that he wants her. However, all is not as it seems and when secrets and lies are exposed, it threatens to destroy them all. This is the first book in a series of standalone HEAs"

PRAYERS BY A PRISONER

FOR PEACE, HEALING AND HOPE

As disappointing and difficult as your incarceration may be, there is always hope and a spiritual solution. In your desperation, take time to be still, put your anxieties to rest and draw close to God. He is very near and will meet you at your point of need. This book will help you discover that the God of all comfort is near to the brokenhearted and discouraged.

God will turn your despair into hope, your darkness into light, and your doubts into faith. What other prisoners have written about Prayers by a Prisoner: "Price puts our deepest questions about walking with God through this darkness into perspective. Every prisoner must read this book." Jason Chapman, federal prisoner "I've been arrested forty nine times and have read many books in jail and prison. I've read this book three times already, and I feel like I need to read it again and again. This book on prayer helped me understand that God loves me no matter what I've done." Terry Buck, federal prisoner "After struggling with years of depression, bad decisions and lots of prison time, chapter twelve has changed my entire thought process. If you read nothing else, read chapter twelve. Chapters fourteen and fifteen are very powerful too!" David McNutt "After over thirty arrests and being in and out of jail since I was thirteen, this book helped me finally understand why I am making so many impulsive and irrational decisions. I did not understand that God loved me this way. My life is now being transformed." Johnny Hill, federal prisoner From the Introduction: I want to explain that I am a fellow struggler in Christ. I am not infallible, and thankfully, I have abandoned the God complex. My flaws and mistakes are obvious, and I say along with the apostle Paul that I am the chief of all sinners. This book is not about any extra ordinary knowledge or insight that I have attained. It is simply about the practices and habits that God has led me to develop to make the most of my time in prison and the remainder of my life. I am a learner, an avid reader, and a lifelong student of contemplative prayer. I am always asking God to make the necessary changes that He knows I need to implement in order for me to conform to the image of Christ. Just because I am a Christian does not mean I am without troubles, pain and suffering. We all know the affliction and darkness we experience in prison. We have been through the inhumane, harsh and brutal process of eternal condemnation. We are alienated, isolated and despised by society. Our names have become a reproach. The odds of any kind of comeback are stacked against us. The world looks upon us as pariah and with contempt. Many of us are rejected and forsaken, and we wrestle with feelings of deep loneliness, abandonment and overwhelming regret. We wonder if there is any hope. The good news is that Jesus repeatedly gave dignity back to the despised. Others may look at us with scorn, but Jesus makes us human again. Here is the bottom line: God knows every thought we have ever had, every step we've ever taken, and every word we've ever spoken. He knows the intentions of our hearts. He knows all the things we've seen and done that make us want to run, hide, and even die. And yet, He still loves us. Jesus is a friend and lover of sinners like you and me, and there is nothing we can do to make Him stop loving us. He meets us where we are. He disciplines and corrects us when necessary. He forgives our past. He overwhelms us with His love, and He gives us an eternal home in Heaven. Nothing can separate us from His infinite love. Because of this, we can say along with the Psalmist, "I will not die, but live, and tell of the works of the Lord. The Lord has disciplined me severely, but He has not given me over to death (Psalm 118:17-19)." Included as a supplement is a five chapter preview of my memoir, Hope Is Not My Enemy, which details my life story and the failure of my securities business and MBT Bank.

EVERYTHING YOU NEED TO KNOW BUT HAVE NEVER BEEN TOLD

"I want to make it clear before we start what the title represents. Everything You Need To Know, But Have Never Been Told does not refer to all that people need to know in terms of information and knowledge. How could you put that between two covers? Religious books claim to do this but they are works of self-delusion and perceptual imprisonment. Everything You Need To Know in this case refers to the information necessary to open entirely new ways of thinking and perceiving reality, both in the seen and unseen, from which everything else will come. This book is a start not a finish. It is written in layers with information placed upon information that together reveals the picture by connecting the parts. The parts are fascinating, but the picture is devastating. Prepare for a perception reboot]] "

GHOST OF A ROSE

Createspace Independent Pub Includes the booklet Narcissism "The Killer of Love" What could drive an individual who is emotionally strong and highly successful, with a hearty appetite for life, to suddenly lose all desire to live? What could possibly strip a religious person of all belief in God with the blink of an eye? Those vital questions are about to be answered. A Beautifully Disturbing Saga of Love and Survival. Within the throes of a madly passionate romance is the most ghastly soul rape and mind crime conceivable. The Great American "Psychopathic" Love Story exists in a world where nothing is real as perceived. Beneath the surface of what seems to be a fairy tale romance is the outline for what may very well be the perfect murder, and if you are naive enough to think it can't happen to you, you're wrong... dead wrong. Steven lives a life that most can only dream of. At a young age, he achieved fame in the music industry with the now iconic heavy metal band Slayer, and later as a world-renowned airbrush artist. He has everything that a man could want, except for what he desires most, which is, true love. A handsome, successful, charming man that lives and breathes romance, but has been unable to find the one woman that can captivate his heart. One glorious afternoon, Ashley stumbles into his life, and she is everything that he's hoped for and dreamed of. Their story begins as a passionate, tender, and erotic tale of two people falling in love. Together they seem to have the love that dreams are made of and fairy tales are written about. But do they really? Sometimes when it seems too good to be true, the love of your life may not be the person you think they are. On the surface, Steven and Ashley are the quintessential portrait of an enchanted romance, but underneath an illusion of ideal love is a transparent layer of lies, manipulation, and deceit. Unknowingly, Steven has become trapped in the lethal world of a pathological psychopath. Be prepared to have every one of your emotions assaulted by this unique true story. You will laugh, feel the passion and intense love, you'll get angry, experience excruciating pain, and yes, there will be tears. Live the story as the author experienced it. A memoir that is insanity in the raw, and just when you think it is all over, it begins again before leading to a shocking ending that will not soon be forgotten. Ghost of a Rose is the first romance of it's kind. Without any knowledge of its existence, the author documented from the beginning to end of his relationship with a pathological narcissist. The media has incorrectly portrayed Narcissistic Personality Disorder long enough. This is the true nature of the beast, and as melodramatic it may seem at times, this is what a victim experiences when having the life sucked out of him or her by an emotional vampire. You'll witness first hand the idealization "honeymoon" stage, the gaslighting phase, the abandonment, the torment, confusion, awakening, and healing as it all took place. Through the eyes of the author, you'll bear witness to a man systematically destroyed by a narcissist until his life is left in ruin. 'Dynamic personal stylized writing. Brilliant! A death to birth with a delivery that is painful as bloody hell.' - Becky Joyce Reed "This book saved my life!" - Debbie Perez

AN EARTHLY JOURNEY: THE STORY OF ONE SOUL'S EVOLUTION

Lulu Press, Inc On the surface, this book is the story of the author's sixty year journey that takes him from the Midwest to Arizona and, finally, to Virginia. An Earthly Journey tells of those who impacted him on his journey. The surface story, though important, is only one piece of the puzzle. The story is also about a dog and higher-dimensional entities, a very special piece of land, and a remarkable woman. It is a love story that began long ago, existing in many lifetimes. It is James's story, and it is Angelica's story, and the book could not exist without both of them. This book is a doorway, a glimpse into a reality which is contrary to third-dimensional conditioning, an example of the possible. It is an invitation for readers to understand their own journeys, to put together all the random events of their lives and find the connections. Ultimately, the book is what you discover it to be, and—hopefully—what it ignites within you.
