#### PAPERBACK

---

Trust. Five Letters. One Word. I'm the girl who doesn't let anyone in. My world was shattered and turned upside down in one night. Since then I've been trying to live, if that's what you call it, but fighting the anxiety of what happened and trusting others is hard. Each day is a struggle to reach for the unknown. Truth. Five Letters. One Word. I watched my father give my mother the world and the stars. She took everything from him, then left him as a broken man with nothing to live for. I told myself I'd never fall in love. I'm guarding my heart and emotions, only looking out for number one. The only way to have truth in any relationship is to stay true to yourself. Just when you think you've got it all figured out, you realize your puzzle is unfinished. You find a piece you never thought you needed until everything changes with one touch. After that...you levitate.

#### IT'S NOT OVER

---

GwenLately, life definitely isn't how I envisioned it. I had it all. The house, the job, the husband. Until one day, I didn't. I don't know when exactly things started to change between us, only that it did, and in a big way. So much so, I found myself standing before a judge and signing off on the end of my marriage. To the only man I've ever loved. Now, he's back, fighting, and ready to prove to me that we made a mistake, that our love is worth giving this another chance. I'm not sure if he's right, but I know what my heart wants, and it wants him. My ex-husband.HarrisonWhy is it that you don't know the depths of your mistakes until you've already made them? I knew signing those papers was a bad idea, but I thought that's what she wanted. The minute we stepped foot out of that courtroom, it hit me. She's no longer mine.That's when I also realized that I would do anything to change the past. I have so many regrets. Not her. I could never regret her, but how we ended. We never should have ended. I'm in for the battle of my life to convince her to give us another shot. I have a plan, one that will prove to her that it's not over.

---

#### THE DIFFERENCE

---

I've kissed a lot of frogs, just to be covered in warts. I've been lied to, cheated on, and used more times than I can count. I don't have it in me to keep going. I need a break from it all. I need time for the wounds to heal, and the scars to fade. Wouldn't you know it's my luck, to meet a gorgeous man, after declaring my self-imposed break? He's charming, sexy, and determined to change my mind.I wasn't looking for her, but when I overheard her conversation, I had to add my two cents. Within minutes of talking to her, I knew she was unlike anyone I'd ever met. Bruised from past relationships, she's built a fort around her heart. Doesn't she know the prince always rescues the princess?I think about her all the time. The more I'm around her, the more I want to be. I've made my choice. It's her. Now, all I have to do is prove to her that I'm the difference.

---

#### BEYOND THE BASES

---

What happens when you want more in life than just running the bases? You hang out at home plate and stop playing the field. He's sexy and irresistible. I've done my best to ignore the magnetism that flows between us. I don't need complications in my life. I can't get wrapped up in his world, the last thing I need is to get attached to a professional athlete. I don't have time for heartbreak. Something about her pulls me in. I want to get to know her. I want a chance to show her I'm more than just my career, my paycheck. I'm the man for her. I know I am. No matter how much she resists this connection between us. It doesn't change the fact that she's my grand slam.

---

### **BEYOND THE PLAY**

---

Kaylee Ryan Parker Of all the hot guys in the club, of course I find myself tangled up with a baseball player. Our chemistry is out of the park, igniting as his athletic body moves next to mine. I know exactly who he is, but the infamous Holden Bailey has no idea who I am, or my connection to the team. I prefer it that way. I give in to one dance with Holden and send him home alone. He can have any woman he wants, but for some reason, he wants me. His pursuit is relentless. He wrote the playbook on being a player, though. Giving in could cost me my heart. Holden I thought getting traded to the Blaze was life changing, but it's nothing compared to meeting Parker Monroe. From the moment she bumps into me on the crowded dance floor, I can't tear my eyes away. She's gorgeous, intelligent, and definitely not interested. At least not in the player the media portrays me to be. I need to convince her that with her, I'm authentic, and what we have is the real thing. Game on. When the truth gets twisted, it looks like I'm playing her. But she has it all wrong. The way I feel about Parker is beyond the play. She's my end game.

## PANTS ON FIRE

---

*Cricket* Success is what you make of it. That's my motto and the premise of my speech; the one I'm heading back to Southern Illinois University to give at my college alumni reunion. As the morning co-host of Good Morning, San Francisco, I was asked to be one of the keynote speakers, and while I'm honored to do so, there's only one problem. The other speaker is Danny Ohara, my former boyfriend. Throw in an issue with my credit card that leaves me stuck at the airport, no rental car in sight, until a familiar face appears like a guardian angel in sexy black glasses. Here's my dilemma with my attraction to Rueben Rigsby, my airport savior and old friend from college: I'm not supposed to be attracted to him. At all. He's my ex's former roommate. Yet that doesn't stop my big mouth from lying about the status of our relationship when we come face-to-face with said former roommate. As in, we have one. Together. Rueben! I don't know why I agreed to come back to SIU for the alumni reunion, but I'm damn sure glad I did. When I found the familiar face stranded at the airport, I readily agreed to give her a ride. It's great to catch up with Cricket Hill, as we make our way back to the place we ultimately met. What I'm not prepared for is this overwhelming attraction I feel for her. I'm not supposed to notice how amazing her butt looks in a pair of black yoga pants. She's a friend. Period. But Cricket has other plans. When she lies about our budding relationship to my former roommate and her ex, I have no choice but to go along with it to save face. I have to pretend to be her boyfriend. I mean, it's one little white lie, right? Wrong.

Even as the pink stained her cheeks and she stuttered to speak, I was completely intrigued. She's unlike anyone I've met before and, wildly enough, seems immune to my charms. She also has a son. A young five-year-old boy, Trace, who blindsides me with his toothless grin and worms his way into my heart. Together, they make me feel things. Things I've never expected. This single mom might not know it, but she could be everything I never knew I wanted. Leni

I've heard all the rumors about Malcolm Wright, the playboy mayor with a trail of broken hearts left in his wake. I try to resist him, really I do, but he's always there with those devastatingly gorgeous eyes and a sexy smile full of wicked intent. I fully expect him to run for the hills, but that doesn't happen. In fact, being near Trace only seems to draw Malcolm and I closer. Now there are two hearts on the line as I put my trust and faith into the one man in Mason Creek who may not be able to give his own heart in return.

New standalone from NYT Bestselling Author Kaylee Ryan I'm over this year, and I'm over relationships. I've learned that the only person you can count on in life is yourself. Moving forward, I'm living for me. Working toward standing on my own two feet, that's my goal. Funny how meeting him changed my path. It's been years since I've been back in this small town of West Virginia for more than a day or two. Spending time here brings back a lot of fond memories. When I stopped by an old friend's bar, I was expecting to grab a drink and catch up. What I didn't expect was her. We share an undeniable attraction, but we continue to fight it. Until one night in Vegas changes everything.

## LAYER BY LAYER

---

Sawyer From the first moment I sit next to the sexy suit on the plane, the butterflies in my stomach have nothing to do with turbulence and everything to do with the way he's looking at me. When we land, he gives me his number, and I promise to call. Before I get the chance, we meet again. It turns out he's my new boss and nothing like the gentle stranger from the plane. The longer I'm with Royce, the more I realize he has many layers, and I want to uncover them all one by one. If only he would let me in. Royce Being CEO requires all of my focus, but I can't stop thinking about the gorgeous woman from the plane with the gorgeous blonde hair and striking green eyes. Sawyer Gibson is beautiful, intelligent, and very much off-limits. A line I shouldn't cross. Until I do... and there's no going back. I want all of her, but she deserves more than my hardened heart can give. No matter how hard I try, I can't escape her.
