### MEANING-FOCUSED MATERIALS FOR LANGUAGE LEARNING

---

Cambridge Scholars Publishing This publication is a result of the joint conference held by MATSDA and Fontys University of Applied Sciences, the Netherlands, in Tilburg in June 2017. MATSDA is an international materials development association founded in 1993 which serves to bring together researchers, teachers, materials developers and publishers in an effort to improve the effectiveness of language learning materials. The 2017 conference centred on issues related to the development of meaning-focused materials for language learning, and attracted presenters from twenty-five countries stretching from Greenland to Brazil. These issues are reflected in the chapters in this volume, with each one focusing on a different aspect of meaning-focused materials and many of them introducing the reader to previously unexplored facets of the theory of meaning-focused instruction and its application to materials development. The contributions here are of essential value to post-graduate students, to teachers, to materials developers and to researchers. They are written to be academically rigorous, but at the same time accessible to newcomers to the field and to experienced experts alike.

### 127 HOURS

---

---

### BETWEEN A ROCK AND A HARD PLACE

---

Simon and Schuster On Sunday April 27, 2003, 27-year old Aron Ralston set off for a day's hiking in the Utah canyons. Dressed in a t-shirt and shorts, Ralston, a seasoned climber, figured he'd hike for a few hours and then head off to work. 40 miles from the nearest paved road, he found himself on top of an 800-pound boulder. As he slid down and off of the boulder it shifted, trapping his right hand against the canyon wall. No one knew where he was; he had little water; he wasn't dressed correctly; and the boulder wasn't going anywhere. He remained trapped for five days in the canyon: hypothermic

at night, de-hydrated and hallucinating by day. Finally, he faced the most terrible decision of his life: braking the bones in his wrist by snapping them against the boulder, he hacked through the skin, and finally succeeded in amputating his right hand and wrist. The ordeal, however, was only beginning. He still faced a 60-foot rappell to freedom, and a walk of several hours back to his car - along the way, he miraculously met a family of hikers, and with his arms tourniqued, and blood-loss almost critical, they heard above them the whir of helicopter blades; just in time, Aron was rescued and rushed to hospital. Since that day, Aron has had a remarkable recovery. He is back out on the mountains, with an artificial limb; he speaks to select groups on his ordeal and rescue; and amazingly, he is upbeat, positive, and an inspiration to all who meet him. This is the account of those five days, of the years that led up to them, and where he goes from here. It is narrative non-fiction at its most compelling.

#### JAMAICA INN

---

---

Bloomsbury Publishing *Shrubs of broom grow black and twisted As if by Devil's fingers And the wind that never ceases, Like a chorus from the dead. Those who lived here it's for certain, would grow dark and tortured too' In Jamaica Inn, at the heart of the bleak Bodmin Moor, young Mary Yellen soon discovers mysterious goings-on in the dead of night. But worse is yet to come as Mary finds herself helplessly ensnared in the deadly activities taking place around her. Evocative, atmospheric and chilling, this new adaptation of Jamaica Inn has all the hallmarks of a great adventure classic — murder, mystery and malevolence. Jamaica Inn was produced at the Salisbury Playhouse in May 2004 and was followed by a UK tour.*

#### THE DEVELOPMENT OF THE CERTIFICATES IN ENGLISH

---

---

Cambridge University Press *Documents the development of the Cambridge ESOL Certificates in English Language Skills (CELS), a suite of modular examinations first offered in 2002. As a context for how CELS was conceived, developed, constructed, validated and managed, the book traces the history of exams which have influenced CELS. The Royal Society of Arts (RSA), later UCLES (University of Cambridge Local Examinations Syndicate) Communicative Use of English as a Foreign Language examinations (CUEFL) was one such influence, as were the Certificates in Communication Skills in English (CCSE), these exams being a development of the CUEFL. The University of Oxford Delegacy of Local Examinations (UODLE) examinations, taken over by UCLES in 1995, were a further influence on CELS. UODLE itself had worked in partnership with the Association of Recognised Language Schools (ARELS) Examinations Trust, the Oxford EFL reading and writing exams for many years offered in tandem with the ARELS Oral English exams.*

#### THE PENGUIN LESSONS

---

---

Penguin UK *\*AS HEARD ON BBC RADIO 2 FACT NOT FICTION BOOKCLUB AND READ BY BILL NIGHY ON AUDIO\* 'I was hoping against hope that the penguin would survive because as of that instant he had a name, and with his name came the beginning of a bond which would last a life-time' Tom Michell is in his roaring twenties: single, free-spirited and seeking adventure. He has a plane ticket to South America, a teaching position in a prestigious Argentine boarding school, and endless summer holidays. He even has a motorbike, Che Guevara style. What he doesn't need is a pet. What he really doesn't need is a pet penguin. Set against Argentina's turbulent years following the collapse of the corrupt Perónist regime, this is the heart-warming story of Juan Salvador the penguin, rescued by Tom from an oil slick in Uruguay just days before a new term. When the bird refuses to leave Tom's side, the young teacher has no choice but to smuggle it across the border, through customs, and back to school. Whether it's as the rugby team's mascot, the housekeeper's confidant, the host at Tom's parties or the most flamboyant swimming coach in world history, Juan Salvador transforms the lives of all he meets - in particular one homesick school boy. And as for Tom, he discovers in Juan Salvador a compadre like no other... The Penguin Lessons is a unique and moving true story which has captured imaginations around the globe - for all those who dreamed as a child they might one day talk to the animals.*

#### ESSENTIAL LEGAL ENGLISH IN CONTEXT

---

---

---

## UNDERSTANDING THE VOCABULARY OF US LAW AND GOVERNMENT

---

**NYU Press** An essential handbook for international lawyers and students Focusing on vocabulary, *Essential Legal English in Context* introduces the US legal system and its terminology. Designed especially for foreign-trained lawyers and students whose first language is not English, the book is a must-read for those who want to expand their US legal vocabulary and basic understanding of US government. Ross uses a unique approach by selecting legal terms that arise solely within the context of the levels and branches of US government, including terminology related to current political issues such as partisanship. Inspired by her students' questions over her years of teaching, she includes a vast collection of legal vocabulary, concepts, idioms, and phrasal verbs and unpacks concepts embedded in US case law, such as how the US constitutional separation of powers may affect a court's interpretation of the law. The handbook differentiates basic terms in civil and criminal cases and compares terms that may seem similar because of close spellings but in fact have different meanings. For instance, what is the distinction between "taking the stand" and "taking a stand?" What is the difference between "treaties" and "treatises"? Featuring illustrations and hands-on exercises, *Essential Legal English in Context* is a valuable self-study resource for those who want to improve their legal English terminology before entering a US law school, studying US law or government, or working as a seconded attorney to a US law firm. Instructors can use the handbook in an introductory US legal English course.

---

## FRAMEWORK ENGLISH

---

**Nelson Thornes** The aim of Nelson Thornes Framework English is to develop students' confidence and achievement in writing. With its unique range of rich fiction and non-fiction texts, and comprehensive coverage of the core skills, Nelson Thornes Framework English Skills in Fiction and Non-Fiction targets students doing well in years 7-10.
