**Mercedes-Benz SL R230 series 2001 to 2011** [Veloce Publishing Ltd](#) *Beginning with a look at the SL model's heritage, this book describes the full development and production history of a modern classic. Covering available models in all the major markets, year-by-year, and including limited editions, the data is supported by contemporary illustrations, sourced from the factory, plus in-depth appendices.* **Mercedes-Benz SL and SLC 107 Series** [Crowood Press UK](#) *As one of the most remarkable models that Mercedes-Benz has ever created, the 107-series was a sales success for nearly two decades and has been an automotive icon for far longer. Elegant styling, effortless performance and superior build quality are central to the appeal of the Mercedes-Benz R107 SL and C107 SL models. This book details the complete history of the model from its design in the late 1960s, through its launch in 1971 and its development through the 1970s and 1980s, to the end of production in 1989. Accompanied by more than 250 archive pictures and original images, this new book reveals the story behind the racing SLs and the works rally SLCs, and provides a valuable guide to buying and running these cars.* **Mercedes Benz SL** [Motorbooks International](#) *Surveys the development history of this unique model. Unveiled in March 1952 it remains one of the most highly prized cars still in production.* **Mercedes-Benz SL & SLC The SI Experience The Ultimate Mercedes-Benz SI** [SI Market Letter](#) **Mercedes-Benz SL 190SL and Pagoda Models, the Cars and Their Story, 1955-71** [Motorbooks International](#) *Essential Mercedes SL Laurence Meredith Subtitled: 19SL & Pagoda Models, the Cars and Their Story 1955-71. History, descriptions and analysis of the full range of Mercedes sports cars from 1955 to 1971, represented by the delightful 19SL of the 1950s and the timeless Pagoda-roof models of the 1960s. Contains informative specs, performance data and production figures. Sftbd., 8 1/4x 1 1/4, 8 pgs., 6 b&w ill., 6 color.* **Mercedes-Benz SL and SLC Unique Motor Books Mercedes-Benz, the Modern SL Cars, the R129 From the 300sl to the S173 AMG** [Createspace Independent Publishing Platform](#) *If you started to look in 2015 for a decent R129, you might have wondered, why quite a few of them are already fairly expensive. Like its predecessor, it was built in relatively large numbers for a luxury sports roadster and like its predecessor, good examples will become only more expensive over the next years. The V8 is naturally the most popular version, but why not also consider the more reasonably priced six-cylinder models. After all you don't plan to use this car anymore to get as fast as possible from A to B. Today you use it more like you enjoy a well aged wine, where you savour every sip. With the R129 you cherish every ride. A special case is the V12. To buy one that is less than perfect is a guarantee to ruin you. You have read this far, then this new book, which was already published as e-book, will interest you. It comes with a comprehensive buyer's guide and explains the VIN and data card in great detail, so that one has a better understanding, how these cars were originally equipped and to which market they have been shipped first. Naturally it covers the development and history of the R129, but it also reveals the engines' strong and weak points and has a look at the cars' recent price development. The book ends with a detailed list of the cars' technical specifications and the annual production history of each model.* **Mercedes Benz SL SLR SLs Mercedes SL Series The Complete Story** [Crowood Press UK](#) *Mercedes Benz has now been manufacturing SL sports cars for fifty years, and for all that time the cars adorned with those two special letters have been admired and coveted by car lovers the world over. It all started in 1954, with the fabulous and iconic 300SL Gullwing, a road car developed directly from the stunning 300SLR racing car. Other models followed, including the more affordable 190SL, the 'Pagoda' car of the sixties and the stylish ranges of the seventies and eighties. Mercedes now use the SL tag before rather than after the numbers in the cars' designations, but the line is as strong as ever, with a magnificent new range and an SLR supercar developed with McLaren that takes the family right back to its roots.* **Mercedes Benz SL 1971 to 2014** **2020 Mercedes-Benz SL-Class Things You Need to Know About 2020 Mercedes-Benz SL-Class** [Independently Published](#) *Whether you're a hip-hop icon or simply a fan of tasteful splendor, the 2020 Mercedes-Benz SL-class still radiates status and elegant curb appeal. Though the current generation of Mercedes-Benz's longest-running nameplate has aged, albeit gracefully, its comfortable cabin and enthusiastic driving traits create an honest and sporty luxury roadster. Sufficient motivation is delivered by a 362-hp V-6 or the hearty 449 horsepower of the twin-turbocharged V-8. With the retractable hard top stowed, the SL-class feels at home on curving roads or just cruising a country two-lane feeling a summer breeze on your face. Executing a sensual blend of luxury and sport has always been a Mercedes forte, and the SL-class maintains that tradition.* **Mercedes Benz SL & SLC Gold Portfolio** [C P Press](#) *A roadtest book on the Mercedes Benz SL and SLC range by Unique Motor Books.* **Mercedes Benz 'Pagoda' 230, 250 & 280SL W113 series Roadsters & Coupés 1963 to 1971** [Veloce Publishing Ltd](#) *Stop! Don't buy a Mercedes Benz "Pagoda" 230SL, 250SL or 280SL roadster or coupe without buying this book first! Having this book in your pocket is just like having a real marque expert by your side. Benefit from Chris Bass's years of Mercedes ownership: learn how to spot a bad car quickly and how to assess a promising one like a professional. Get the right car at the right price! Packed with good advice from running costs, through paperwork, vital statistics, valuation and the Mercedes community, to will it fit in your garage and with your lifestyle? This is the complete guide to choosing, assessing and buying your dream car.* **Mercedes Benz SL R107 R129 R230 R231** *This*

book looks at the long running R107 SL range that were produced from 1971 to 1989 and the R129 range that ran from 1990 to 2001. Also included are the R230 SL and R231 SL as well as the McLaren SLR and the Mercedes AMG-GT **MERCEDES BENZ SL R107 AND R129 The Mercedes-Benz 300 SL Book TeNeues** A photographic homage to one of the finest cars ever build, now in a small format edition. **Road & Track Mercedes-Benz SL-SLK-CLK Brooklands Books Limited** One of an exciting new group of publications covering road tests, model introductions, driving impressions, comparisons and performance data, specifications and long-term reports. For the serious enthusiast, this Portfolio is an excellent reference for collecting, restoring or buying the car of your dreams. Models covered - SL 320, 500, 600, SL55 AMG, SLK 230 & 230 Sport, 320, SLK32 AMG, CLK 320 430 500, CLK-GTR, CLK55 AMG. **Mercedes SL The originality guide to Mercedes-Benz SL models, 1963-2003 Herridge & Sons Limited** This originality guide covers the Mercedes SL sports cars from the W113 'Pagoda' of 1963 to the R129 which ended production in 2003. Model-by-model, with hundreds of pictures, it gives you all the details of correct factory specifications and equipment, including body panels, external trim and badging, paint colours, interior trim and trim colours, dashboard, instruments and switches, under-bonnet components, engine and transmission, lamps, and all other features right down to the tool kit, from the beginning of production to the end. All this detailed information is vital to the buyer, owner and restorer. **Mercedes-Benz SL Sportscars Sutton Pub Limited** This book contains over 200 photographs which, supported by informative captions, provide a history of the SL series. Spanning four generations of finely engineered sports cars, the Mercedes-Benz SL story begins with a successful assault on the Le Mans 24 Hours in 1952. Engineered very much to meet the demands of American safety and emissions requirements, this series was every bit as good as its illustrious forebears, but it was only in the 1990s that aficionados have come to appreciate their fine qualities. From the company that invented the motor car, Daimler-Benz's many customers have, through successive generations, come to expect the best in comfort, safety, performance and technical innovation. Based on the racing cars, the mighty 300SL Gullwing coupe followed in 1954, and caused a genuine sensation in New York where it debuted alongside its baby sister, the 190SL. **Mercedes-Benz 300 SL The Car of the Century Dalton Watson Fine Books** A lavishly illustrated tribute to one of the most beloved European cars of all time. For nearly seventy years, no car has moved the lovers of classic cars more than the 300 SL. A legend since its launch in 1954 as a gullwing coupe, the 300 SL has been seen as the very model of what a sports car can be, its style and beauty perfectly matched to its power and handling. This beautifully illustrated tribute volume brings together Hans Kleissl, one of the world's leading experts on the 300 SL, and former Daimler historian and Mercedes-Benz archive manager Harry Niemann. The resulting book captures the magic and mystique of the car through history, photographs, insights into its technological breakthroughs, and firsthand accounts of its storied run. There's no better gift for the passionate fan of the 300 SL. **Mercedes-Benz SL R129 Series 1989 to 2001 Veloce Publishing Ltd** It's hard to believe, but the W129-series Mercedes-Benz SL was launched over 20 years ago. However, its timeless styling has kept it fresh and attractive in the eyes of a new generation of enthusiasts, as well as those returning to the car having owned one when they were still in the dealerships. A combination of superb original design and peerless engineering and build quality adds to the desirability of this series of classic German machines, and has ensured that many of these cars can still be seen in regular use today. Covering the SL's ever-changing specification, and its presence in many of the world's major markets is a huge task, but it's all presented here in definitive detail, along with stunning contemporary photography, in a volume that will readily grace any reference library shelf or connoisseur's coffee table. Two earlier books, also published by Veloce, and covering the W113 cars and the 107-series SL and SLC, act as perfect companions to this title, which takes the SL story up to 1989. **Mercedes Benz SL SI55 SI60 SI65 SI63 Ultimate Portfolio Mercedes-Benz SL & SLC. Mercedes Benz SL 2002-2014 Routledge Cavendish** This title is a photographic record of both the W230 Series Mercedes Benz SL and the recently introduced W231 Series Mercedes Benz SL. It also covers both road and race versions of the Mercedes McLaren SLR and the factory where the race versions were prepared in Wellingborough. **Mercedes-Benz SL and SLC 107-Series 1971-1989 The Complete Story The Crowood Press** As one of the most remarkable models that Mercedes-Benz has ever created, the 107-series was a sales success for nearly two decades and has been an automotive icon for far longer. Elegant styling, effortless performance and superior build quality are central to the appeal of the Mercedes-Benz R107 SL and C107 SL models. This book details the complete history of the model from its design in the late 1960s, its launch in 1971, its development through the 1970s and 1980s to the end of production in 1989. Accompanied by over 250 archive pictures and original images, Mercedes-Benz SL and SLC 107-Series 1971-1989 - The Complete Story reveals the story behind the racing SLs and the works rally SLCs, and provides a valuable guide to buying and running these cars. Superbly illustrated with 260 archive and original colour and black & white photographs. **Mercedes-Benz SL Series Recognition and Fact Guide Enthusiast Books** With a long reputation for quality, durability, and good looks, the three-pointed star of Mercedes-Benz is recognized around the world. The Mercedes-Benz SL designation was first applied to the 300SL "Gullwing" with upward-opening doors in 1954, then onto other light and sporty models through current times. This book covers each model in depth, a year-by-year photo and information guide to each model in the 55-plus years of its existence. Includes the more modern SLK, SLS models, the numerous engine configurations spanning five design generations, and loaded with detail shots, production figures, design features, information on suspensions, brakes, transmissions, and wheels—just for starters. If you need to know something about an M-B SL-series model, tune in to this all-in-one vital resource! **Mercedes-Benz SL Entwicklung und Technik Springer-Verlag** Aus dem Blickwinkel der Fahrzeugentwickler wird die Technik des neuen Mercedes-Benz SL ausführlich und kompetent dargestellt. Baugruppen und Fahrzeugsysteme werden in Funktion und Eigenschaften erklärt, sodass ein technisches Gesamtbild entsteht, das bis ins Detail die faszinierende neue Technik des Mercedes-Benz SL erklärt. Garant dafür sind die Autoren, die als Ingenieure in Elektronik und Fahrzeugtechnik dieses Auto entwickelt haben. **Mercedes benz SL, 300 SL, 300 SL 24, 500 SL Motorbooks International Mercedes-Benz SL R129-series 1989 to 2001 Veloce Publishing** With prices for the older Mercedes-Benz models, such as the 'Pagoda' and W107 SLs heading ever higher, many enthusiasts are now starting to look at the R129 series SL. Produced from 1989-2001, it combined timeless elegance, luxury and effortless performance, with V12 engines available for the first time. The R129 was the last SL with a detachable hardtop and - for many Mercedes fans - the last to be built to the marque's legendary standards of construction. With that sophistication came new levels of equipment and unprecedented complexity. For would-be buyers today, there are more points than ever to watch out for. The cars' weight also puts strain on components such as the brakes and suspension. Choosing a good R129 demands care. This

buyer's guide will help you do just that. Learn about the differences between models, and what to look for when buying. What are the true running costs, and what issues - with the mechanicals, body or interior - should you be wary of? Find the answers to these questions and information about the clubs and specialists who can help look after your R129 today. **MERCEDES BENZ SL R230 AND R231 1971 - 2014 Mercedes-Benz SL Die Baureihe 107 Mercedes-Benz SL Faszination seit sechs Jahrzehnten Mercedes-Benz SL, le roaster mondial de l'étoile** Celle qui prit la suite de la Mercedes "Pagode" a réussi une belle carrière. Plus moderne et plus dans l'air du temps, la SL-R107, produite entre 1971 et 1989, est différente d'une "Pagode" née au cours des années 50. Avec cette nouvelle voiture, Mercedes vise en premier lieu le marché américain. Et, ça marche ! La SL a visé juste et trouve, finalement et rapidement, une vaste clientèle. Mercedes sait aussi la faire judicieusement évoluer, lui offrant au fil des années des évolutions mécaniques et techniques indispensables. En 18 années de carrière, la SL "type R 107" a donc connu huit moteurs et un restylage très réussi qui lui permit de réussir brillamment sa fin de carrière. Plus de 230 000 exemplaires ont été assemblés jusqu'à sa retraite en 1989 et envoyés aux quatre coins de la planète. C'est aujourd'hui une "youngtimer" recherchée que l'aura de son ancêtre la "Pagode" met très largement en lumière. **Used Mercedes Benz SL (1992-2002) Buyer's Guide MERCEDES-BENZ, the Early SL Cars From the 300SL and 190SL to the 230SL - 280SL** [Createspace Independent Publishing Platform](#) The 300SL, the 190SL and the pagoda SL were already legends, when still in production. That has not changed till today. Names like "Gullwing" or "Pagoda" are forever associated with the SL name. Both cars are the foundation on which every new SL still rests today. And the SLK traces its roots back to the 190SL, the car that convinced management in the 1950s that the SL story was worth to be developed further. This reference book covers the complete history of all three versions, discusses a one of a kind 300SL roadster and comes with recent non-Daimler AG color photography. If you want to know more about these iconic Mercedes cars, then this book is for you. **FREE BONUS:** When you have bought this book, you are eligible for a free pdf file of any Mercedes model (such as W108 or W198 or R107 for example) the author has covered in one of his books. Please contact the author through his website (inside the book) and stipulate, which free pdf file you want him to send to you. These three cars are also covered in Bernd S. Koehling's books about Mercedes cars of the 1950s and 1960s. It was suggested to have them covered in a separate book to accompany the other SL book of Bernd S. Koehling: *MERCEDES-BENZ, The modern SL*, available also here on Amazon. **Faszination Mercedes-Benz SL Evolution eines Klassikers** [Star Book Sales](#) **Mercedes-Benz SL Die Baureihe R 129 MERCEDES-BENZ, the Modern SL Cars, the R107 and C107 From the 350SL/SLC to the 560SL and 500 Rally** [CreateSpace](#) You haven't gotten yourself a R107 yet? Too bad, the good ones can cost a small fortune today and they have only one way to go: UP! But don't worry, plenty of them have been built and plenty of them are still around. Problem is, which one is the right one for you? Can you imagine that even a low mileage, good looking R107 can still far exceed your wildest imaginations, when it comes to restoration costs? Everybody seems to want a late model 560SL. Why not an early 450SL for half the money? The joy and pride of ownership is the same, trust me. Or how about one of the former longtime underdogs, an SLC? Also they start to appreciate, a few of them even very fast, faster than a mint 560SL. If any of this is of interest, then this new book (published already earlier as e-book) is for you. It does not only deal with development and history, it also comes with a comprehensive buyer's guide for both the SL and SLC. This includes a look at their price development over the past years. Another focus has been the VIN and data card, so that you have a better understanding, how they were equipped and to which market they have been shipped first. Superb recent photography from the author's collection can help you to find the right car or it might even serve as reference in a restoration project. Naturally the paint and interior upholstery options, full technical details plus the annual production history of each model are covered. As a bonus, rare insights into the R107's almost unknown rally history are given. **FREE BONUS:** When you have bought this book, you are eligible for a free pdf file of any Mercedes model (such as W111 or W198 or R107 for example) the author has covered in one of his books. Please contact the author through his website (inside the book) and stipulate, which free pdf file you want him to send to you. **The Mercedes-Benz 300 SL Book With Retro Style, 2012 Photoprint** [Te Neues Publishing Group](#) This archival volume with a large-scale photoprint documents the evolution of one of the most exceptional cars ever. In René Staud's unique photographs, every carefully-engineered curve and detailed component can be seen in stunning and accurate representation. Both tribute and testimony, this book conveys the outstanding contributions this automotive legend has made from the fifties all the way to the present day. Text in English, German, French, Chinese, and Russian clamshell box, portfolio with one signed and numbered photoprint **SELLING POINTS:** \*Containing one of René Staud's most distinctive photographs as a signed and numbered print \*A refined and finely crafted box will preserve this edition in mint condition 175 color and b/w photographs
