### THE BOY WHO SNEAKS IN MY BEDROOM WINDOW

---

**Kirsty Moseley** Liam James, boy next door and total douchebag, is my brother's best friend. I can't stand him. Well, that's not strictly true, at night I see a side of him that no one else does. Every night Liam becomes my safe haven, my protector, the one to chase the demons of my abusive childhood away and hold all the broken pieces of me together. He's cocky, he's arrogant, and he's also some sort of playboy in training. With his 'hit it and quit it' mentality, he's the last person you'd want to fall in love with. I only wish someone had told my heart that... The international bestselling novel, and finalist of the Goodreads choice awards YA fiction 2012.

### BREAKING HIM

---

**Entangled: Scorched** Folks in town call him a monster—say he's dangerous. But I know him simply as Elijah Hays, the quiet, gentle giant who works with the horses on my ranch. I can feel him watching me, that steady, intense gaze making me crave things I don't quite understand, burn in a way that frightens me. He's always kept his distance...until that night. I remember him coming to my rescue, me following him into the barn, giving him his first taste of a woman, and his inexperienced yet barely reined touch turning me to ash. Now all I can think about is exposing the dark desire I see deep inside him—having him turn those dark desires on me. That low, gritty voice rasping orders in my ear. Those huge, rough hands holding me down when a storm blows in. I want his surrender. His control. I want to break him...and have him break me...

### FAKE IT TIL YOU BREAK IT

---

**MB Publishing** USA Today and Wall Street Journal bestselling author Meagan Brandy delivers a new standalone, fake relationship romance about finding light when your world is dark, and fighting for love when all seems lost. Fake. That's what we are. That's what we agreed to be. So why does it feel so real? I thought it would

have been harder, convincing everyone our school's star receiver was mine and mine alone, but I was wrong. We played our parts so well that the lines between us began to blur until they disappeared completely. The thing about pretending, though, someone's always better at it, and by the time I realized my mistake, there was no going back. I fell for our lie. And then everything fell apart. It turned out he and I were never playing the same game. He didn't have to break me to win. But he did it anyway. --- \*This is a 98k word enemies-to-lovers, complete standalone romance!

## PARENTOLOGY

---

### EVERYTHING YOU WANTED TO KNOW ABOUT THE SCIENCE OF RAISING CHILDREN BUT WERE TOO EXHAUSTED TO ASK

---

**Simon and Schuster** An award-winning scientist offers his unorthodox approach to childrearing: “Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions” (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you’re like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley’s sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

## PORN ARCHIVES

---

**Duke University Press** While sexually explicit writing and art have been around for millennia, pornography—as an aesthetic, moral, and juridical category—is a modern invention. The contributors to Porn Archives explore how the production and proliferation of pornography has been intertwined with the emergence of the archive as a conceptual and physical site for preserving, cataloguing, and transmitting documents and artifacts. By segregating and regulating access to sexually explicit material, archives have helped constitute pornography as a distinct genre. As a result, porn has become a site for the production of knowledge, as well as the production of pleasure. The essays in this collection address the historically and

culturally varied interactions between porn and the archive. Topics range from library policies governing access to sexually explicit material to the growing digital archive of "war porn," or eroticized combat imagery; and from same-sex amputee porn to gay black comic book superhero porn. Together the pieces trace pornography as it crosses borders, transforms technologies, consolidates sexual identities, and challenges notions of what counts as legitimate forms of knowledge. The collection concludes with a valuable resource for scholars: a list of pornography archives held by institutions around the world. Contributors. Jennifer Burns Bright, Eugenie Brinkema, Joseph Bristow, Robert Caserio, Ronan Crowley, Tim Dean, Robert Dewhurst, Lisa Downing, Frances Ferguson, Loren Glass, Harri Kahla, Marcia Klotz, Prabha Manuratne, Mireille Miller-Young, Nguyen Tan Hoang, John Paul Ricco, Steven Ruszczycky, Melissa Schindler, Darieck Scott, Caitlin Shanley, Ramon Soto-Crespo, David Squires, Linda Williams

## RESHAPING MARRIAGE FOR SKEPTICS, REALISTS AND REBELS

---

**Hachette UK** If half of all cars bought in America each year broke down, there would be a national uproar. But when people suggest that maybe every single marriage doesn't look like the next and isn't meant to last until death, there's nothing but a rash of proposed laws trying to force it to do just that. In *The New I Do*, therapist Susan Pease Gadoua and journalist Vicki Larson take a groundbreaking look at the modern shape of marriage to help readers open their minds to marrying more consciously and creatively. Offering actual models of less-traditional marriages, including everything from a parenting marriage (intended for the sake of raising and nurturing children) to a comfort or safety marriage (where people marry for financial security or companionship), the book covers unique options for couples interested in forging their own paths. With advice to help listeners decide what works for them, *The New I Do* acts as a guide to thinking outside the marital box and the framework for a new debate on marriage in the 21st century.

## BADD ASS

---

**Jasinda Wilder** I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout “MEDIC!” training just kicks in. It’s automatic, immediate. I don’t think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he’d been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn’t getting him, it’s keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn’t know what to do with him. It’s not in my nature, and if life has taught me anything, it’s to not trust anyone, least of all men like Zane. He’s a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it’s a conflict as old as humanity itself, but it’s brand new for me. \* \* \* Life as Navy SEAL doesn’t exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—dreams I didn’t know I’d had until I saw her—explodes into my life like a frag grenade? I’m trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you’ve got it finally figured out, fate throws you a screwball and sends everything FUBAR.

## RED

---

"To convince a man to marry you, you have to be what they envision. Pretty, quiet, caring, and barefoot in the kitchen." My mother's expectations have never wavered. I'm determined to be more, even if it is within the confines of Featherstone Academy. I'm tired of being forced into a mold I don't fit in. I want to be me, however, that looks. Finding myself, and understanding what matters is my number one focus, over everything else. Taking inspiration from my reading obsession, I know what I want my life to look like, but getting it is a completely different issue. I'm trying to keep my love life under wraps so nobody can interfere or watch me crash and burn as I try to lose my weak persona. My senses are flooded with the new temptations that surround me. The deepest voice that makes my insides melt, a searing hot touch from the campus playboy, and the stormy gaze of the world's biggest jackass. Along with them, comes a deeper exposure into the Featherstone life. Watching Featherstone close in around my friends, dealing with parental issues,

relationship drama, and a stalker, makes me realize I'm drowning in trouble. Let the sambuca shots burn my throat as I get lost in my own journey of shedding my old skin, and becoming Red. Red is a 100k word reverse harem romance novel, which means there is more than one love interest, with a #whychoose approach. This book contains consensual steamy scenes including MM, and MFMM. Some scenes may be dark for some readers, so it is recommended for readers aged 17 and over. Red is the fourth book in the Featherstone Academy Series, but the First book in her duet. This book runs alongside the time line of the first three books.
