## The Original Ending of Mark

### A New Case for the Authenticity of Mark 16:9–20

*Wipf and Stock Publishers* **Although traditionally accepted by the church down through the centuries, the longer ending of Mark's Gospel (16:9-20) has been relegated by modern scholarship to the status of a later appendage. The arguments for such a view are chiefly based upon the witness of the two earliest complete manuscripts of Mark, and upon matters of language and style. This work shows that these primary grounds of argumentation are inadequate. It is demonstrated that the church fathers knew the Markan ending from the very earliest days, well over two centuries before the earliest extant manuscripts. The quantity of unique terms in the ending is also seen to fall within the parameters exhibited by undisputed Markan passages. Strong indications of Markan authorship are found in the presence of specific linguistic constructions, a range of literary devices, and the continuation of various themes prominent within the body of the Gospel. Furthermore, the writings of Luke show that the Gospel of Mark known to this author contained the ending. Rather than being a later addition, the evidence is interpreted in terms of a textual omission occurring at a later stage in transmission, probably in Egypt during the second century.**

## On the Private and Public Virtues of an Honorable Entrepreneur

### Preventing a Separation of the Honorable and the Useful

*Rowman & Littlefield* **This book develops a Credo for honorable entrepreneurs dedicated to freedom and general human flourishing, based on work by Aristotle and the giants of moral, political, and economic thinking. It explores how entrepreneurs can prevent a separation of the honorable and the useful, a moral challenge faced by leaders in all parts of society.**

## EBOOK: Essentials of Investments: Global Edition

*McGraw Hill* **Introducing... Essentials of Investments, 9th Global Edition, by Zvi Bodie, Alex Kane and Alan J. Marcus. We are pleased to present this Global Edition, which has been developed specifically to meet the needs of international investment students. A market leader in the field, this text emphasizes asset allocation while presenting the practical applications of investment theory without unnecessary mathematical detail. The ninth edition includes new coverage on the roots and fallout from the recent financial crisis and provides increased content on the changes in market structure and trading technology. Enhancements to this new Global Edition include: - New 'On the market front' boxes highlight important investment concepts in real world situations across the globe, to promote student thinking without taking a full case study approach. Topics include short-selling in Europe & Asia, credit default swaps and the debt crisis in Greece and include examples from Commerzbank, JP Morgan, Facebook, Coca-Cola, Santander, The European Energy Exchange, plus many more! - Revised worked examples illustrate problems using both real and fictional scenarios from across the world to help students develop their problem solving skills. Regional examples include Hutchinson Whampoa (Asia), The Emirates Group (The Middle East) and KLM Royal Dutch Airlines (The Netherlands). - Revised end-of chapter material includes brand new global questions and global internet exercises that feature currencies, companies and scenarios from Europe, Middle East, Africa and Asia to increase engagement for international students. - Global Edition of Connect Plus Finance, McGraw-Hill's web-based assignment and assessment platform with eBook access, helps students learn faster, study more efficiently, and retain more knowledge. This Global Edition has been adapted to meet the needs of courses outside of the United States and does not align with the instructor and student resources available with the US edition.**

# Grounded in the Body, in Time and Place, in Scripture Papers by Australian Women Scholars in the Evangelical Tradition

*Wipf and Stock Publishers* "In my bibliographies there are no women in the evangelical tradition, and no Australian women scholars." This unique volume addresses this gap, with eighteen biblically rich and academically rigorous chapters by established and emerging Australian women scholars in the evangelical tradition. The authors consider our relationship with the land and Indigenous peoples, neighborhood, embodiment, (dis)ability, abortion, leadership, work, architecture, the media, Song of Songs and domestic violence, and Jeremiah and weaponized rape, and demonstrate recent methodologies such as a social identity reading of Exodus, sensory readings of Psalms and John's Gospel, and discipleship readings of Mary and Martha and the woman at the well. A contemporary Kriol psalm and stories of pioneering Australian women theological students and teachers complete the volume. Valuable for students and teachers across Bible, theology, ministry, and practice subjects, this book is an essential inclusion in any theological library.

## The Reconstruction of Resurrection Belief

*BoD - Books on Demand* While its companion volume, *The Resurrection in Retrospect*, addresses the inadequacies of an approach to the Resurrection of Christ purely as an event of past historical time, *The Reconstruction of Resurrection Belief* articulates an alternative understanding of Resurrection faith as essentially a response of trust based upon a knowledge by acquaintance with the living presence of Christ today. In the hope that it may have some traction in an increasingly secular world of contemporary scientific realism, Carnley demonstrates an understanding of the nature of Resurrection faith in the language of today, with as much logical coherence as possible, and explains how the claim that the animating Spirit of the Christian community that Saint Paul spoke of as 'the Spirit of life in Christ Jesus' (Rom 8:2) may be justifiably identified in faith today as 'the living presence of Jesus of Nazareth.'

## The Real Royal Family

## The Image of God in Scripture and Ethics

*Wipf and Stock Publishers* God made human beings in his image and that is what makes us so valuable. Yet there are vastly different ideas of what the image means and how sin affects the image, and each of those ideas impacts the claim that the image grounds human value. People have treated one another in either horrible or wonderful ways based on their theologies of the image. This book examines the logical implications of various image doctrines in the real world. Also, in Genesis 1:26-27, the image of God is closely tied to the first stated purposes of human life in Genesis 1:28. Yet such practical purposes seem remote from the private spirituality of the gospel story often heard in churches. To live out our part in God's creation project, we need to understand the image of God within the unfolding story Scripture narrates from creation to new creation. This book builds a theology of the image of God by situating it firmly in the biblical narrative, harnessing the insights of biblical theology, and conversing with theologians past and present to form a coherent story of God, his children, and his creation in this age and the age to come.

## The Worldview of the Word of Faith Movement: Eden Redeemed

*Bloomsbury Publishing* This volume approaches the Word of Faith as a worldview, and analyses the movement through N. T. Wright's model for worldview-analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions, which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

## Bitter Fruit

## Dysfunction and Abuse in the Local Church

*Wipf and Stock Publishers* No church founder or planter likely intends to start a church with the stated goal of allowing abuse or abusing those within it. Yet sadly and too often, even in the best of churches abuse does occur. The bitter fruit of abuse does not appear from nowhere. Its origins, the soil in which it grows, and the structures that support it need be understood if we are to eradicate this fruit from within our churches and Christian organizations. **Bitter Fruit: Dysfunction and Abuse in the Local Church** describes those psychologies, social psychologies, and inadequate theologies that are frequently true in churches that enable abuse, regardless of the form the abuse may take. It is vital that you understand these things if you are a pastor, leader, or lay person seeking to maintain a healthy church environment.

## The Text of the New Testament

### From Manuscript to Modern Edition

*Baker Books* **The Text of the New Testament** is a brief introduction for the lay person into the process whereby the New Testament came to be. It describes the basics of ancient writing tools, manuscripts, the work of scribes, and how to think about differences in what the various manuscripts say. This is a revised and expanded edition with a completely new chapter on how contemporary English translations fit in with our understanding of the New Testament text. Geared to the lay person who is uninformed or confused about textual criticism, Greenlee begins this volume by explaining the production of ancient manuscripts. He then traces the history of the development of the New Testament text. Readers are next introduced to the basic principles of textual criticism, the concept of variant readings, and how to determine which variant has the greatest likelihood of being the original reading. To illustrate the basic principles, several sample New Testament texts are examined. The book concludes by putting textual criticism in perspective as involving only a minute portion of the entire New Testament text, the bulk of which is indisputably attested by the manuscripts.

## 40 Days of Decrease

### A Different Kind of Hunger. A Different Kind of Fast.

*Thomas Nelson* What if you fasted regret? What if your friends fasted comparison? What if your generation fasted escapism? What if your community fasted spectatorship? Trigger a spiritual revolution with this daily devotional for Lent. Decrease life's unnecessary details and increase your relationship with the Lord so you can live in awe of Christ's resurrection! **40 Days of Decrease** is a guide for those hungering for a fresh Lenten/Easter experience. Dr. Alicia Britt Chole guides you through a study of Jesus' uncommon and uncomfortable call to abandon the world's illusions, embrace His kingdom's realities, and journey cross-ward and beyond. Containing readings, reflection questions, daily fasts, ancient quotes, and more, each day offers a meaningful consideration of Jesus' journey and then invites you into a daily fast of heart-clutter—the stuff that sticks to your soul and weighs you down. You can begin your forty-day journey any time of the year, but you may find it especially meaningful as a Lenten preparation to live in awe of Jesus' resurrection. Each daily, 1000-word entry includes a: Devotion based on Jesus' life Reflection question to guide journaling or group discussion Heart fast to inspire a tangible response Thought-provoking Lenten quote Optional sidebar into the historical development of Lent Suggested reading that takes you from John 12 to John 21 Journaling space for reflection In the same way self cannot satisfy self no matter how long it feasts, self cannot starve self no matter how long it fasts. Decrease—like increase—is only holy when its destination is love. Dare to live awed by Christ's resurrection!

## Contested Masculinities

### Polysemy and Gender in 1 Thessalonians

*Lexington Books* In **Contested Masculinities**, the author argues for the importance of critical consciousness, and attentiveness to the interplay of the biblical text, context and the long, complex, histories of interpretation that play out in the construction of masculinities. Locating his reading of 1 Thessalonians within the thickly textured setting of a postcolonial, post-apartheid South Africa, the author seeks to recontextualize Paul, providing a nuanced understanding of how Paul's letters exercise authority over both the church and the academy. The author maintains that attempts to frame either the biblical text or notions of masculinity as singular and universal perpetuate and reinforce binary formulations (church/academy, global north/global south, colonizer/colonized, male/female) and entrench hierarchies of power. The author re-reads 1 Thessalonians, exploring the fissures that come into view when training a postcolonial and gender-critical lens on the biblical text and delivers a refreshing account that is playful and open and porous, especially as a conversational piece for masculinity, ancient and contemporary.

## Justification as the Speech of the Spirit

### A Pneumatological and Trinitarian Approach to Forensic Justification

*Wipf and Stock Publishers* In the past few decades there have been an increasing number of authors and movements that reject the classic Protestant understanding of justification (e.g., the New Perspective on Paul, Auburn Avenue Theology, the Renewal Movement, etc.). While the various proposals differ in many respects, they are generally united in their rejection of justification as a legal declaration made by the Father about the believer based on the work of the Son. In particular, among renewal (Pentecostal/Charismatic) authors, there have been several attempts to redefine justification, insisting that it is an umbrella term incorporating numerous redemptive ideas rather than a declaration of the believer's righteousness. These attempts are in part rooted in the absence of any overt pneumatology in the doctrine's typical formulation. One need only read the above sentences to see that there is no mention of the Holy Spirit. This book addresses these and other concerns, especially by renewal authors, and demonstrate that the doctrine is, in fact, pneumatologically informed, albeit latently rather than blatantly. As a result, there is no need to redefine the theology of the Reformers and their successors.

### American Foreign Relations: Volume 2: Since 1895

*Cengage Learning* This best-selling text presents the best synthesis of current scholarship available to emphasize the theme of expansionism and its manifestations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

### God Bless America

### The Origins of Over 1,500 Patriotic Words and Phrases

*Skyhorse + ORM* A uniquely American vocabulary has evolved from its British beginnings—here are the roots of such words as “a-ok,” “grandstanding,” “rat race,” and more! The Queen’s English has no place across the pond, where a long history of defiance, creativity, and originality has made its way into the everyday vocabulary of Americans coast-to-coast. God Bless America is an informative and entertaining guide to the meaning and history beneath our uniquely American words and phrases. Robert Hendrickson makes it clear that whether you’re ordering “fried chicken” or heading out to see a “movie,” you are celebrating contributions to the English language made by Americans, both famous and forgotten. With extensive research and a passion for language, Hendrickson furthers our understanding of the familiar and introduces us to the more obscure artifacts of American speech. God Bless America provides the definitions and background for many uniquely American phrases and terms, such as: Bald eagle Boston baked beans Five-and-ten Give 'em hell Lazy Susan Sho' nuff Yankee Doodle And more! A dictionary packed full of historical accounts, etymological peculiarities, and imaginative spirit, God Bless America represents not only the American language but also the American people. This book provides an undeniable resource for travelers, patriots, and Anglophiles from all walks of life.

### Prayer as Divine Experience in 4 Ezra and John's Apocalypse

### Emotions, Empathy, and Engagement with God

*Rowman & Littlefield* Prayer as Divine Experience examines the emotional language in the prayer preludes contained in 4 Ezra and the hymns recounted in John's Apocalypse. Based on studies in neuropsychology, readers or hearers of the emotional language could potentially achieve a divine experience similar to what is described in this literature.

### The Generations of Heaven and Earth

### Adam, the Ancient World, and Biblical Theology

*Wipf and Stock Publishers* New science has surprised many by showing, contrary to received wisdom, that a real Adam and Eve could have lived amongst other humans in historical times and yet be the ancestors of every living person, as traditional Christianity has always taught. This theory was first published in book form in 2019, but Jon Garvey, familiar with it from its early days, believes it helps confirm the Christian account of reality by giving it a solid foundation in science and history. In this book he argues that the long existence of other people before and alongside Adam was in

all likelihood known to the Bible's original authors. This conclusion helps build a compelling biblical "big story" of a new kind of created order initially frustrated by Adam's failure, but finally accomplished in Christ. This "new creation" theme complements that of the "old creation" covered in his first book, *God's Good Earth*. The two together contribute to a unified, and fully orthodox, understanding of the overall message of the Bible.

## Illuminating Counsel

### How the Least Holy Books of the Hebrew Bible Explore Life's Most Important Issues

*Wipf and Stock Publishers* **Illuminating Counsel: How the Least Holy Books of the Hebrew Bible Explore Life's Most Important Issues** is a study of eleven books of the Hebrew Bible, known collectively as the Ketuvim, or "Writings." Judaism considers these books to be less holy than the other books of the Hebrew Bible. Most people don't even know the Jewish order of the books of the Hebrew Bible is different than the Christian order. Many people seem to think the Hebrew Bible is antiquated and has little relevance to modern life. Even Christians, who value the Hebrew Bible as "Holy Scripture," tend to favor the New Testament. Herein it is argued that the least holy books of the Hebrew Bible are life-changing pieces of literature. Their poetry and prose cover virtually every emotion, every behavior, and every aspect of the human condition. They are as relevant to the committed nonreligious as they are to the religious. So, if you want to plunge the depths of literary sublimity; if you want to explore what it means to be human, to struggle with your mortality, to go through death's dark valley and come out on the other side, to confront your pain and in so doing find healing, then I invite you to read on and discover how the Hebrew Bible illuminates counsel.

## State and Local Government

*Cengage Learning* **Bowman/Kearney/Scavo's STATE AND LOCAL GOVERNMENT**, 11th edition equips you with the knowledge and tools to develop your own well-informed positions on the divisive issues currently facing our nation. This bestseller delivers comprehensive coverage of institutions, political behavior and policymaking at the state and local level and highlights politics at the grassroots level. Thoroughly updated, the new edition includes expansive coverage of the impact of the COVID-19 pandemic on state and local government as well as insight on how local governments are attempting to deal with global climate change. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

## Music in Religious Cults of the Ancient Near East

*Routledge* **Music in Religious Cults of the Ancient Near East** presents the first extended discussion of the relationship between music and cultic worship in ancient western Asia. The book covers ancient Israel and Judah, the Levant, Anatolia, Mesopotamia, Elam, and ancient Egypt, focusing on the period from approximately 3000 BCE to around 586 BCE. This wide-ranging book brings together insights from ancient archaeological, iconographic, written, and musical sources, as well as from modern scholarship. Through careful analysis, comparison, and evaluation of those sources, the author builds a picture of a world where religious culture was predominant and where music was intrinsic to common cultic activity.

## Pentecostals in America

*Columbia University Press* **Pentecostalism** is one of the most significant modern movements in global Christianity today. A mixture of ecstatic expression and earnest piety, metaphysical nuance and embodied spirituality, it is far more than the stereotype of a supernatural sideshow. In this presumably secular era, Pentecostalism continues to grow, adapting to a diverse religious marketplace and becoming more racially and ethnically diverse. Originally an American phenomenon, it is now a globe-spanning religion. In this book, Arlene M. Sánchez Walsh provides a thematic overview of Pentecostalism in America, covering Pentecostal faith and practices, gender and sexuality, race and ethnicity, trends and offshoots, and the future of American Pentecostalism. She also considers Pentecostalism's spiritual lineages, examining colorful leaders, ordinary adherents, and prominent outliers, as well as its deep roots in American popular culture. She examines Pentecostalism as a narrative performance, aiming to explain what Pentecostalism is through the experiences and stories of its adherents. Sánchez Walsh treats this Christian movement with the critical eye it has often lacked, and places it in context within the larger narrative of American religious history. An indispensable introduction to Pentecostalism, rich with insights for experienced readers, *Pentecostals in America* is an essential study of a vibrant religious movement.

## American Foreign Relations, Volume 1: To 1920

*Cengage Learning* This best-selling text presents the best synthesis of current scholarship available to emphasize the theme of expansionism and its manifestations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

## The Blue Dahlia

### A Screenplay

Chandler's complete screenplay for the popular Alan Ladd vehicle of 1944, which gave new emphasis to the recurrent Chandlerian motifs of the lover hero, the quest for justice, society's corruption, and the primacy of personal honor.

**Bibliogs**

## The Making of the New Testament

### Origin, Collection, Text & Canon

*InterVarsity Press* This revised and expanded edition of *The Making of the New Testament* is a fascinatingly detailed introduction to the origin, collection, copying and canonizing of the New Testament documents. Here Arthur Patzia explains how biblical scholars have studied the trail of clues and pieced together the story of these books.

## Sex Differences in Social Behavior

### A Social-role Interpretation

*Psychology Press* In presenting an innovative theory of sex differences in the social context, this volume applies social-role theory and meta-analytic techniques to research in aggression, social influence, helping, nonverbal, and group behavior. Eagly's findings show that gender stereotypic behavior results from different male and female role expectations, and that the disparity between these gender stereotypes and actual sex differences is not as great as is often believed.

## Arts & Humanities Citation Index

## The American and English Railroad Cases

### A Collection of All the Railroad Cases in the Courts of Last Resort in America and England

Covers cases decided [1879?]-1895.
