More

A Novel

Arcade The award-winning *More*, by one of Turkey's leading underground writers, is the world's first novel about the refugee crisis. "The illegals climbed into the truck, and, after a journey of two hundred miles, they boarded ships and were lost in the night." Gaza lives on the shores of the Aegean Sea. At the age of nine he becomes a human trafficker, like his father. Together with his father and local boat owners Gaza helps smuggle desperate "illegals," by giving them shelter, food, and water before they attempt the crossing to Greece. One night everything changes and Gaza is suddenly faced with the challenge of how he himself is going to survive. This is a heartbreaking work that examines the lives of refugees struggling to flee their homeland and the human traffickers who help them reach Europe—for a price. In this timely and important book, one of the first novels to document the refugee crisis in Europe, Asia, and the Middle East, we see firsthand how the realities of war, violence, and migration affect the daily lives of the people who live there. This is a powerful exploration of the unfolding crisis by one of Turkey's most exciting and critically acclaimed young writers who writes unflinchingly about social issues.

The Few

A Novel

Simon and Schuster "I am here. Where are you?" These desperate words link the two protagonists of Hakan G nday's raw and fearless novel *The Few*. Derda is an eleven-year-old girl pulled out of boarding school by her mother who, without telling her, plans to sell her as a wife to a conservative tribesman. She goes with her new husband to London, where for five years he abuses and all but imprisons her. Even after escaping, Derda soon finds herself preyed upon by Londoners as well as other Turkish immigrants who have formed a criminal underworld. In a parallel story set in Turkey, Derda, an eleven-year-old boy, buries his dead mother in secret to avoid being taken to the state orphanage. Alone, he becomes with an illegal book printing operation. He finds himself obsessed with a Turkish novelist, who Derda grows convinced died because he felt misunderstood and unappreciated. Increasingly unstable, Derda targets two contemporary writers, whom he accuses of stealing the writer's fame. *The Few* is an unflinching story of the vulnerability of the world's youth when cultures, politics, and generations collide. In a time when countless refugees and children slip through the cracks, it is a powerful admonishment not to forget those who are helpless victims.

Without a Country

AmazonCrossing From the international bestselling author of *Last Train to Istanbul* comes a novel based on true events that explores the depths of pride, devotion, and persistence as four generations of a family struggle to forge their destinies. As Hitler's reign of terror begins to loom large over Germany, Gerhard and Elsa Schliemann--like other German Jews--must flee with their children in search of sanctuary. But life elsewhere in Europe offers few opportunities for medical professor Gerhard and his fellow scientists. Then they discover an unexpected haven in Turkey, where universities and hospitals welcome them as valuable assets. But despite embracing their adopted land, personal and political troubles persist. Military coups bring unrest and uncertainty to the country, intermarriage challenges the cultural identity of Gerhard and Elsa's descendants, and anti-Semitism once again threatens their future in the place they call home. From World War II to the age of social media, one family's generations find their way through love and loss, sacrifice and salvation, tragedy and triumph--with knowledge hard won and passion heartfelt.

Piraye

The King of Taksim Square

AmazonCrossing Seventeen-year-old  aglar is just another apathetic teenager--except when it comes to his sister,  igdem, who he believes is the world's most beautiful and brilliant nine-year-old. Determined to display her genius,  aglar grooms  igdem's talent into a perfect Michael Jackson impersonation and pursues a sure route to fame: YouTube. Tragically,  aglar's efforts are sabotaged by a little incident internationally known as the Taksim riots. Now it seems that everyone's too busy watching the people's uprising unfold to click on  igdem's video. That leaves  aglar only one recourse: he will have to use the riots to his advantage. After all, who wouldn't want to watch a child doing the moonwalk against the backdrop of political unrest? But as  aglar strives to showcase his sister, he finds himself pulled into the heart of the uprising and discovers that he may just have talent of his own. From bestselling author Emrah Serbes comes a hilarious, poignant story of a teen's struggle to find his place and launch his sister's star amid Turkey's real-life fight for freedom.

The Diaries of Adam and Eve and Other Stories

Courier Corporation Twain combines wit and tenderness in this "he said/she said" narrative of life among the first humans. Five additional stories include "The \$30,000 Bequest" and "A Monument to Adam."

The Romanov Conspiracy

A Thriller

Simon and Schuster SOMETIMES MYSTERIES ARE NEVER SOLVED. SOMETIMES THERE ARE NO ANSWERS. DR. LAURA PAVLOV, an American forensic archaeologist, is about to unravel a mystery that promises to shed light on one of the twentieth century's greatest enigmas. Digging on the outskirts of the present-day Russian city of Ekaterinburg, where the Romanov royal family was executed in July 1918, Pavlov discovers a body perfectly preserved in the permafrost of a disused mine shaft. The remains offer dramatic new clues to the disappearance of the Romanovs, and in particular their famous daughter, Princess Anastasia, whose murder has always been in question. Pavlov's discovery sets her on an unlikely journey to Ireland, where a carefully hidden account of a years-old covert mission is about to change the accepted course of world history and hurl her back into the past--into a maelstrom of deceit, secrets, and lies. Drawn from historical fact, *The Romanov Conspiracy* is a page-turning story of love and friendship tested by war, and a desperate battle between revenge and redemption, set against one of the most bloody and brutal revolutions in world history.

WHIM

Permuted Platinum WHIM is a magical teenager on a quest for the U.T. (ultimate truth) but he is continually distracted by football, sex and a sixty-foot pot plant. It's tough being human. WHIM tells the story of a very magical Indian boy who finds that he has been sent to earth by his Father Lord Chance to discover the Big U.T.(ultimate truth). As a high school football star just discovering sex, Whim is distracted from his quest by being in love with the brainy, sexy but very moral Dawn, and also by his rival Billy Best, who wants to discover u.t. so he can market it and make a bundle. The novel is filled with Zen-like encounters between Whim and his Montauk mentor Grain-of-Sand; Narsufin, the great black Sufi sage famous for his hook shot; and the Abominable Snowman Sage of the Himalayas. In the end Whim finds his u.t., saves the Montauk nation, and wins the heart (and all other bodily parts) of his beloved Dawn.

Martin Eden

Courier Dover Publications Smitten with a cultivated young woman, a sailor determines to better himself. London's semi-autobiographical novel offers a thought-provoking study of ambition, highlighted by memorable characters and a compelling narrative.

Olga

Hachette UK A #1 INTERNATIONAL BESTSELLER 'Bernhard Schlink speaks straight to the heart' New York Times 'Brilliant... A tale of love and loss in 20th century Germany' Evening Standard 'A cleverly-constructed tale of cross-class romance' Mail on Sunday 'A poignant portrait of a woman out of step with her time' Observer Olga is an orphan raised by her grandmother in a Prussian village around the turn of the 20th century. Smart and precocious, she fights against the prejudices of the time to find her place in a world that sees her as second-best. When she falls in love with Herbert, a local aristocrat obsessed with the era's dreams of power, glory and greatness, her life is irremediably changed. Theirs is a love against all odds, entwined with the twisting paths of German history, leading us from the late 19th to the early 21st century, from Germany to Africa and the Arctic, from the Baltic Sea to the German south-west. This is the story of that love, of Olga's devotion to a restless man - told in thought, letters and in a fateful moment of great rebellion.

Love in Exile

AmazonCrossing The bestselling author of Last Train to Istanbul returns with a tale of love defying all boundaries. Sabahat, a beautiful young Muslim woman, is known in her family for her intelligence, drive, and stubbornness. She believes there is more in store for her life than a good marriage and convinces her parents to let her pursue her education, rare for young Turkish women in the 1920s. But no one--least of all Sabahat herself--expects that in the course of her studies she will fall for a handsome Armenian student named Aram. After precious moments alone together, their love begins to blossom. Try as she might to simplify her life and move on, Sabahat has no choice but to follow her heart's desire. But Aram is Christian, and neither family approves. With only hope to guide their way, they defy age-old traditions, cross into dangerous territory, and risk everything to find their way back to each other. One of Turkey's most beloved authors brings us an evocative story of two star-crossed lovers inspired by her own family's history.

Atatürk in the Nazi Imagination

Harvard University Press Early in his career, Hitler took inspiration from Mussolini—this fact is widely known. But an equally important role model for Hitler has been neglected: Atatürk, the founder of modern Turkey, who inspired Hitler to remake Germany along nationalist, secular, totalitarian, and ethnically exclusive lines. Stefan Ihrig tells this compelling story.

Open All Night

Harper Collins These 189 posthumously published new poems take us deeper into the raw, wild vein of Bukowski's that extends from the early 1980s up to the time of his death in 1994.

Ibn Rushd's Metaphysics

A Translation with Introduction of Ibn Rushd's Commentary on Aristotle's Metaphysics, Book Lām

BRILL

Kimsenin kalbi

Verge

Penguin LONGLISTED FOR THE STORY PRIZE Named one of the Best Books of the Year by Bustle and Lit Hub A fiercely empathetic group portrait of the marginalized and outcast in moments of crisis, from one of the most galvanizing voices in American fiction. Lidia Yuknavitch is a writer of rare insight into the jagged boundaries between pain and survival. Her characters are scarred by the unchecked hungers of others and themselves, yet determined to find salvation within lives that can feel beyond their control. In novels such as The Small Backs of Children and The Book of Joan, she has captivated readers with stories of visceral power. Now, in Verge, she offers a shard-sharp mosaic portrait of human resilience on the margins. The landscape of Verge is peopled with characters who are innocent and imperfect, wise and endangered: an eight-year-old black-market medical courier, a restless lover haunted by memories of his mother, a teenage girl gazing out her attic window at a nearby prison, all of them wounded but grasping toward transcendence. Clear-eyed yet inspiring, Verge challenges us with moments of uncomfortable truth, even as it urges us to place our faith not in the flimsy guardrails of society but in the memories held—and told—by our own individual bodies.

Prisoners of Ourselves

Totalitarianism in Everyday Life

Vintage

A Novel

Harper Collins Vintage is Susan Gloss's sparkling debut novel in the Vein of The Friday Night Knitting Club, centered around a Midwestern vintage clothing shop and a group of women who eventually transform the store and each others' lives. At Hourglass Vintage in Madison, Wisconsin, every item in the boutique has a story to tell . . . and so do the women who are drawn there. Violet Turner has always dreamed of owning a shop like Hourglass Vintage. When she is faced with the possibility of losing it, she realizes that, as much as she wants to, she cannot save it alone. Eighteen-year-old April Morgan is nearly five months along in an unplanned pregnancy when her hasty engagement is broken. When she returns the perfect 1950s wedding dress, she discovers unexpected possibilities and friends who won't let her give up on her dreams. Betrayed by her husband, Amithi Singh begins selling off her old clothes, remnants of her past life. After decades of housekeeping and parenting a daughter who rejects her traditional ways, she fears she has nothing more ahead for her. An engaging story that beautifully captures the essence of women's friendship and love, Vintage is a charming tale of possibility, of finding renewal and hope when we least expect it.

The Laughter Is on My Side

An Imaginative Introduction to Kierkegaard

Princeton University Press Here is an engaging alternative to the more solemn introductions to Sren Kierkegaard that are currently available: The Laughter Is on My Side entices us into Kierkegaard's way of looking at the world. Skillfully clearing a path to the heart of Kierkegaard's writings for those who may be unfamiliar with the great Danish thinker, Roger Poole and Henrik Stangerup rearrange some of his most pleasurable and most readable passages to form an entertaining "text-narrative"--not a selection in the ordinary sense but an innovative presentation that tells a new story. The book replaces the inaccessible Kierkegaard of philosophical legend with an ironic, witty, shrewdly observant writer, writing for the amusement of writing, and not for the grimmer satisfactions of instructing or upbraiding. Above all, the Kierkegaard revealed by Poole and Stangerup becomes, in the deepest sense, our contemporary. Taking its title from the young Kierkegaard's nickname, "The Fork," the first section of the work is full of urbane and erotic materials and has much to say about his famous broken engagement to Regine Olsen. A section called "Women" will be of special interest to feminists, particularly the three discourses from the Symposium section of Stages on Life's Way. "The Midnight Hour" presents Kierkegaard's most anguished and existential passages: "Do you not know there comes a midnight hour when everyone has to throw off his mask? Do you think you can slip away a little before midnight in order to avoid this?" Lastly, "1848 : 1984" presents Kierkegaard as an incisive and relevant political thinker in a way that has never been attempted before.

The Big Adventure

Fox, Bear and Moose want to have a really BIG adventure and travel to Africa, or to the North Pole, or even to the Moon! But big adventures need a lot of planning, and can be quite scary. Luckily, their friend Chicken has a different kind of adventure in mind.

The Legacy of Suśruta

Suśruta S Name Is Synonymous With India S Surgical Inheritance. A Legendary Figure, He Is Believed To Have Lived And Taught In Varanasi Several Centuries Before The Buddha, And Composed The Suśruta Tantra Which Became A Timeless Medical Classic. Judicial Review of Constitutional Amendments

A Comparative Study

Kemal Gözler This monograph is an attempt to answer the following questions: Can constitutional courts review the constitutionality of constitutional amendments? If yes, to what extent? It is endeavored, in a comparative perspective, to answer these questions by examining the constitutions of several countries and the case law of the Austrian, German, Hungarian, Romanian, Slovenian and Turkish Constitutional Courts, French Constitutional Council, Indian, Irish, and the United States Supreme Courts.

Keep Calm and Carry on

The Truth Behind the Poster

"'Keep Calm and Carry On' has become one of the most recognisable slogans of the twenty-first century. But where is it from and why has it resonated so strongly with the modern British public? This book reveals the truth behind the now infamous poster, tracing its origins to the Second World War, when it was created to allay public panic in the event of a German invasion. Of course this feared invasion never happened, and the poster would have been resigned to the dusty shelves of history were it not for a chance discovery by the owners of Barter Books in 2001. Later seized upon as an encouragement in the economic crisis, 'Keep Calm' went on to become arguably the most successful meme in history. This book tells the story of that phenomenon, including colourful posters and archive photographs throughout."--

The Red Sea

In Search of Lost Space

Univ of California Press The Red Sea has, from time immemorial, been one of the world's most navigated spaces, in the pursuit of trade, pilgrimage and conquest. Yet this multidimensional history remains largely unrevealed by its successive protagonists. Intrigued by the absence of a holistic portrayal of this body of water and inspired by Fernand Braudel's famous work on the Mediterranean, this book brings alive a dynamic Red Sea world across time, revealing the particular features of a unique historical actor. In capturing this heretofore lost space, it also presents a critical, conceptual history of the sea, leading the reader into the heart of Eurocentrism. The Sea, it is shown, is a vital element of the modern philosophy of history. Alexis Wick is not satisfied with this inclusion of the Red Sea into history and attendant critique of Eurocentrism. Contrapuntally, he explores how the world and the sea were imagined differently before imperial European hegemony. Searching for the lost space of Ottoman visions of the sea, The Red Sea makes a deeper argument about the discipline of history and the historian's craft.

The Book of Devices

Imprint "He had sought to be the agent of all forces and actions on the Earth, and thus, just as he had transformed iron ingot into a music box, so had he strived to transform the Earth and all it contained into a machine." Ihsan Oktay Anar's 1996 novella, "The Book of Devices," is a skeleton key to the ever-inventive author's fictional world set in the Ottoman times. Here are the wonderful histories of the triumphs and tribulations of three Ottoman inventors, "as reported by the narrators of events and relators of traditions." By turns humorous and touching, these interlinked stories are nutshells of vividly imagined past. While we follow Yafes Chelebi and his two successors in their search for the secret of the perpetual motion, the crumbling empire undergoes drastic changes in the background and the city of their dreams. Istanbul, witnesses coup d'tats, Westernizing reforms, and the advent of technological innovation. Written in a unique idiom that is both a tender mimicry and witty parody of the Ottoman bureaucratic prose, The Book of Devices is Anar at his imaginative best. One cannot help but wonder how a twenty-first-century author can dwell in the past with such ease and come back to the present, as in a Borgesian parable, with a cabinet of dreamy curiosities.

Essays and Aphorisms

Penguin UK One of the greatest philosophers of the nineteenth century, Schopenhauer (1788-1860) believed that human action is determined not by reason but by 'will' - the blind and irrational desire for physical existence. This selection of his writings on religion, ethics, politics, women, suicide, books and many other themes is taken from Schopenhauer's last work, Parerga and Paralipomena, which he published in 1851. These pieces depict humanity as locked in a struggle beyond good and evil, and each individual absolutely free within a Godless world, in which art, morality and self-awareness are our only salvation. This innovative - and pessimistic - view has proved powerfully influential upon philosophy and art, directly affecting the work of Nietzsche, Wittgenstein and Wagner among others.

Porcelain Laminate Veneers

Quintessence Publishing (IL) This is a handbook for dental practitioners and technicians on the history, fabrication and placement of porcelain laminate veneers. The book adopts a straightforward approach to the basics of material science and offers illustrated guidance on placement procedures.

Waiting for Fear

In his stories, through peeling away the layers of each isolated and alienated persona, Atay exposes how social identities are constructed.

Bone and Soft Tissue Augmentation in Implantology

Quintessenz Verlag With contributions from: R. Gruber, Th. Hanser, Ph. Keeve, Ch. Khoury, J. Neugebauer, J. E. Zöller Bone and Soft Tissue Augmentation in Implantology addresses useful methods of bone grafting procedures in implant treatment based on current biologic principles and constitutes a unique reference in this field. The book describes, in over 760 pages and 2837 mostly color illustrations, the different possibilities available to augment the bone volume in width and height. The information presented includes not only the underlying scientific concepts of the different augmentation techniques with autogenous bone, but also the associated soft tissue management, from safe approaches to different possibilities for soft tissue augmentation and papilla reconstruction techniques. The book provides surgeons with a basic understanding of the biologic response to bone grafting procedures. Experienced implantologists will benefit from the in-depth background information, details of high-level surgical techniques, and scientific results, which will enable them to optimize their surgical procedures. Each chapter offers a wealth of information on the specific topic covered, with much attention given to the scientific concepts behind each one. Extensive case reports with step-by-step documentation allow readers to gain an impression of what is possible today in the 3D reconstruction procedures of the alveolar crest. Important criteria for success are presented as well as possible complications and their treatment. Bone and Soft Tissue Augmentation in Implantology is a must-read for every implantologist, oral and maxillofacial surgeon, and any dentist interested in surgery.

The world rapers

Murder in the Ironsmiths Market

Good Dog

Fantagraphics Books Good Dog marks the welcome return of alternative cartoonist Graham Chaffee, who, after his successful 2003 collection of short stories, The Most Important Thing and other Stories, took a detour to devote himself to the art of tattooing, before charging back with his new, beautifully conceived graphic novel. Ivan, who is plagued by terrible nightmares about chickens and rabbits, is a good dog—if only someone would notice. Readers accompany the stray as he navigates dog society, weathers pack politics, and surveys canine-human interactions. Good Dog's story and pen-and-ink art are deceptively simple, but Chaffee uses the approachability of the subject matter as a device to explore topics such as independence, security, assimilation, loyalty, and violence. Preteen-and-up dog fanciers, especially, will warm to the well-meaning Ivan and his exploits with a motley assortment of Scotties, Bulldogs, and mutts. Chaffee combines illustrative gravitas with cartooning verve and creates a richly textured, dog's-eye view of the world. The story is a rousing Jack Londonesque adventure as well as a moral parable.

You Only Live Once

One for Passion Two for Love Three for Friendship

Penguin Random House India Private Limited What if you ran away from your life today? Twenty years later, three people are looking for you. One is dying to meet you again. The other wishes you had never met them. The third wishes they could have met you at least once. You are one person. Aren't you? But you are not the same person to each of them. Find the answers about your own life in this story about searching for love and discovering yourself. Join a broken but rising YouTube star Alara, a struggling but hopeful stand-up comedian Aarav, and a zany but zen beach shack owner Ricky. Together, take the journey to seek the truth behind the famous singer Elisha's disappearance somewhere by the deep sea in Goa. Will you be able to find Elisha? Or will you end up finding yourself?

Unraveling Oliver

A Novel

Simon and Schuster Originally published: Ireland: Penguin Ireland, 2014.

Making Excellence a Habit

Viking One of the few practising doctors in India who contributed to research, education and charity in such a large measure, the book documents the fundamentals of what makes a person achieve meaningful success. While hard work, passion and focus emerge as winning lessons, delicate and tender learnings from Dr Mohan's life, such as empathy or spirituality, are not forgotten. Written in Dr Mohan's sagacious and affable voice, and peppered with examples of his bold and unusual ideas such as planning a diabetes expo or conducting a country-wide diabetes study, this book is a behind-the-scenes account of a person honoured internationally for delivering path-breaking care to hundreds of thousands of people with diabetes.

The Dictator's Last Night

Gallic Books October 2011. In the dying days of the Libyan civil war, Muammar Gaddafi is hiding out in his home town of Sirte along with his closest advisors. They await a convoy that will take them south, away from encroaching rebel forces and NATO aerial attacks. The mood is sombre. In what will be his final night, Gaddafi reflects on an extraordinary life, whilst still raging against the West, his fellow Arab nations and the ingratitude of the Libyan people. In this gripping imagining of the last hours of President Gaddafi, Yasmina Khadra provides us with fascinating insight into the mind of one of the most complex and controversial figures of recent history.

How to Draw Like a Fashion Illustrator

Skills and techniques to develop your visual style
