QUEEN TAKES KING

A NOVEL

Simon and Schuster From the New York Times bestselling author of *The Starter Wife* comes an outrageous, sexy novel about what happens when a highly visible, hugely powerful, long-married, media couple splits—and each ex tries to live a separate but equal life. **Jacks Power: The prodigal son, heir to millions, built his own Manhattan real estate empire and revels in seeing his moniker on glittering skyscrapers around the city. Here's a man who always loved to see his name in ink. Until now. Cynthia Hunsaker Power: The epitome of elegance and society, the former prima ballerina met a struggling painter, fell in love, and only later learned she'd won the Power lottery. The morning after the Power silver anniversary gala at the Waldorf, Jacks appears twice in the New York Post—once gallantly dancing with his wife of twenty-five years; and once hand-in-hand with Lara Sizemore, morning television star, exiting her Upper West Side apartment building that very same night. Let the Divorce Games begin. Whether they're changing the locks on each other in their Park Avenue triplex or sabotaging each other's dinner parties, the Powers' split-up will trump the most scandalous divorces known to polite New York society. It's a battle of wits, of charm, of two of the biggest egos—and personalities and bank accounts—in Manhattan, and neither side will go down without a fight.**

FACE TO FACE

THE ART OF HUMAN CONNECTION

Simon & Schuster Featured on CBS This Morning, Squawk Box, MSNBC, CNN, Bloomberg, Forbes, Fast Company, The New York Times, and more. "Reading Face to Face is like being a fly on the wall, watching Brian Grazer work his magic. Utterly entertaining, this is how you become Hollywood's best producer." —Malcolm Gladwell, author of Talking to Strangers Legendary Hollywood producer and author of the bestselling A Curious Mind, Brian Grazer is back with a captivating new book about the life-changing ways we can connect with one another. Much of Brian Grazer's success—as a #1 New York Times bestselling author, Academy Award-winning producer, father, and husband—comes from his ability to establish genuine connections with almost anyone. In Face to Face, he takes you around the world and behind the scenes of some of his most iconic movies and television shows, like A Beautiful Mind, Empire, Arrested Development, American Gangster, and 8 Mile, to show just how much in-person encounters have revolutionized his life—and how they have the power to change yours. With his flair for intriguing stories, Grazer reveals what he's learned through interactions with people like Bill Gates, Taraji P. Henson, George W. Bush, Barack Obama, Eminem, Prince, Spike Lee, and the Afghani rapper activist Sonita: that the secret to a bigger life lies in personal connection. In a world where our attention is too often focused downward at our devices, Grazer argues that we are missing an essential piece of the human experience. Only when we are face to face, able to look one another in the eyes, can we form the kinds of connections that expand our world views, deepen our self-awareness, and ultimately lead to our greatest achievements and most meaningful moments. When we lift our eyes to look at the person in front of us, we open the door to infinite possibility.
