**Save the Date A Novel [St. Martin's Griffin](#) Can this wedding be saved? Up-and-coming floral designer Cara Kryzik is about to score the wedding of a lifetime--one that will solidify her career as the go-to-girl for Savannah society nuptials. The only problem is, life seems to be conspiring against her. Cara's implacable father, "The Colonel", doesn't believe in Cara's business savvy and is about to call in his twenty-thousand-dollar loan. Then, on the morning that someone steals her dog, Cara's refrigerator goes on the blink, turning twelve thousand dollars' worth of gorgeous blooms into road kill. And if that's not enough, the dog-napper, Jack Finnerty, turns up at her latest wedding and then mysteriously leaves her stranded on the dance floor. All this turmoil will be solved if Cara can pull off the lavish Trappnell-Strayhorn wedding. The payday will solve all her problems--even the looming problem of a celebrated florist named Cullen Keane who is moving into her turf from Charleston. But the wedding is in six weeks, the bride is acting strangely (even for a bride) and the stepmother of the bride is becoming Cara's biggest headache. What Cara needs is to focus, but that's not easy when Jack is turning up at every wedding in Savannah (the man seems to know everybody), with Cara in his sights and seduction on his mind. When Brooke Trappnell spirals into a shocking crisis and the wedding is in jeopardy, Cara must come to the rescue and figure out what she really believes in. Is it love? Is it her own strength? When ninety-nine-year-old heiress Josephine Bettendorf Warrick summons Brooke Trappnell to Talisa Island, her 20,000 acre remote barrier island home, Brooke is puzzled. Everybody in the South has heard about the eccentric millionaire mistress of Talisa, but Brooke has never met her. Josephine's cryptic note says she wants to discuss an important legal matter with Brooke, who is an attorney, but Brooke knows that Mrs. Warrick has long been a client of a prestigious Atlanta law firm. Over a few meetings, the ailing Josephine spins a tale of old friendships, secrets, betrayal and a long-unsolved murder. She tells Brooke she is hiring her for two reasons: to protect her island and legacy from those who would despoil her land, and secondly, to help her make amends with the heirs of the long dead women who were her closest friends, the girls of *The High Tide Club*—so named because of their youthful skinny dipping escapades—Millie, Ruth and Varina. When Josephine dies with her secrets intact, Brooke is charged with contacting Josephine's friends' descendants and bringing them together on Talisa for a reunion of women who've actually never met. *The High Tide Club* is Mary Kay Andrews at her Queen of the Beach Reads best, a compelling and witty tale of romance thwarted, friendships renewed, justice delivered, and true love found. Ellis, recently fired from a job she gave everything to, is rudderless and now beginning to question the choices she's made over the past decade of her life. Julia--whose caustic wit covers up her wounds--has a man who loves her and is offering her the world, but she can't hide from how deeply insecure she feels

about her looks, her brains, her life. And Dorie has just been shockingly betrayed by the man she loved and trusted the most in the world...though this is just the tip of the iceberg of her problems and secrets. A month in North Carolina's Outer Banks is just what they each of them needs. Ty Bazemore is their landlord, though he's hanging on to the rambling old beach house by a thin thread.
