## Taylor Swift

### In Her Own Words

*Agate Publishing Get inside the head of one of the most influential musicians of our time with this collection of her most inspiring and revealing quotes. The quotations in this book have been carefully curated from Taylor Swift's numerous public statements—interviews, op-eds, social media posts, and more. It's a comprehensive picture of her meteoric rise to the top, her ever-savvy business sense, and her increasingly forthright perspective on the music world and beyond. Swift's catchy, chart-topping songs have propelled her to become one of the bestselling musicians of all time. But in the more than fifteen years she's been making music, she has also amassed enough power to buck the norms of an industry notorious for controlling the images of its often very young female artists. She's stood up for herself and for other artists, championing their rights to fair royalties, and inspired tens of thousands of fans to register to vote. Swift's achievements have earned her spots on both Forbes's Most Powerful Women and Time's 100 Most Influential People lists. Now, for the first time, you can find her most inspirational, thought-provoking quotes in one place.*

## Great Email Disasters

Metro Publishing, Limited Meet the sheepish stars of the World Wide Web whose stories will make your toes curl. There is the story of the man who emailed a woman he met at a party, telling her, "This is the part where I throw caution to the wind . . . Your smile is the freshest of my special memories," and then sat back in horror as his email was circulated round the world; or the government spin doctor who emailed colleagues on September 11, 2001 advising them that it was "a good day to bury bad news" after the World Trade Center had been attacked, but before the Twin Towers themselves collapsed; the ex-employee who thought he'd gotten revenge by wrecking his former company's computer system with a bombardment of emails, but was discovered and ended up in court; the Pentagon officer who accidentally included a schoolgirl on an email list that discussed top-secret matters; and the marketing man who wrote an email mocking his employer and sent the message straight to his boss.

## Adele - The Biography

Kings Road Publishing Adele's powerful voice and breathtaking songs have seen her top the charts around the planet, collect millions of admirers and win dozens of top awards. When she became a mother, in 2012, her fans rejoiced in a fairytale moment for a young woman who has known so much pain in her personal life. At last, it seemed, she had it all. But who is Adele? Adele: The Biography traces her story from a humble childhood in London, where she began singing at the age of four, through to the phenomenal success of her first two albums, 19 and 21. It then brings her remarkable story up to date, examining her health scare, motherhood and triumphant comeback, singing Skyfall at the 2013 Oscars ceremony. Along the way, this unique book uncovers how her troubled private life influenced her heartbreaking tracks and how she gamely overcame a string of obstacles that threatened to derail her career. Here, you will discover the fascinating truth behind all the highs and the lows experienced by this fun, formidable woman, whose songs have become national anthems for the heartbroken. Adele has won well over 70 major musical prizes including Grammys, Brits and an Oscar - all before she turned 25. Yet she remains fully grounded, and regards the glitzy world of show business with an old-fashioned English combination of amusement and healthy suspicion. So here is Adele in all her glory - the curvy girl next door who conquered the world.

## Taylor Swift

## A Biography

Createspace Independent Publishing Platform Taylor Swift is an American singer-songwriter. One of the world's leading contemporary recording artists, she is known for narrative songs about her personal life, which have received widespread media coverage. Born and raised in Pennsylvania, Swift moved to Nashville, Tennessee at the age of 14 to pursue a career in country music. She signed with the label Big Machine Records and became the youngest artist ever signed by the Sony/ATV Music publishing house. Her 2006 self-titled debut album peaked at number five on the Billboard 200 and spent the most weeks on the chart in the 2000s. The album's third single, "Our Song," made her the youngest person to single-handedly write and perform a number-one song on the Hot Country Songs chart. Swift's second album, Fearless, was released in 2008. Buoyed by the success of pop crossover singles "Love Story" and "You Belong with Me," Fearless became the best-selling album of 2009 in the US. The album won four Grammy Awards, with Swift becoming the youngest Album of the Year winner. Swift was the sole writer of her 2010 album, Speak Now. It debuted at number one in the United States and the single "Mean" won two Grammy Awards. Her fourth album, Red (2012), yielded the successful singles "We Are Never Ever Getting Back Together" and "I Knew You Were Trouble." For her fifth album, the pop-focused 1989 (2014), she received three Grammys, and became the first woman and fifth act overall to win Album of the Year twice. Its singles "Shake It Off," "Blank Space," and "Bad Blood" reached number one in the US, Australia, and Canada. The 2015 concert tour for 1989 became one of the highest-grossing of the decade. Swift's sixth album, Reputation (2017) and its lead single "Look What You Made Me Do" topped the UK and US charts; with the former, she became the first act to have four albums sell one million copies within one week in the US. As a songwriter, Swift has received awards from the Nashville Songwriters Association and the Songwriters Hall of Fame, and was included in Rolling Stone's 100 Greatest Songwriters of All Time in 2015. She is also the recipient of 10 Grammys, six Guinness World Records, one Emmy Award, 23 Billboard Music Awards, and 12 Country Music Association Awards. Swift is one of the best-selling music artists of all time, having sold more than 40 million albums-including 27.8 million in the US-and 130 million single downloads. She has

appeared in Time's 100 most influential people in the world (2010 and 2015), Forbes' top-earning women in music (2011-2015), Forbes' 100 most powerful women (2015), and Forbes Celebrity 100 (2016). Her inclusion in the third of these made her the youngest woman on the list, and she ranked first in Celebrity 100.

## Taylor Swift The Brightest Star

### The Life, Loves and Music of a Global Sensation

*Encyclopaedic in its scope, this is the ultimate tribute to the life and music of Taylor Swift. No need for glossy images here, the narrative says it all - a chronological account of her mercurial rise to fame; the stories that inspire the songs; an in-depth look at those much-publicised battles with the media, music industry and fellow artists, and all recounted with well-chosen words from the artist herself and dozens of others who have played a part in her incredible story. Put together, we have the definitive record. If not already a fan, reading this may very well change your opinion. "I really do try to be a nice person...but if you break my heart, hurt my feelings, or are really mean to me, I'm going to write a song about you" This is how Taylor Swift once explained the meaning behind one of her earliest songs. Never one to mince her words when it comes to sharing her thoughts, she has achieved legendary status in the music world with a career built largely on her personal feelings, ever since the day one particular teenage boy made her cry. Now barely into her third decade, her songs have taken her fans on an emotional journey that encompasses both the elation of young love and the heartbreak of fallen relationships. As always, fame courts controversy, and Taylor has had her fair share - long-standing feuds with fellow artists; harrowing claims of sexual harassment; deeply personal accusations over her own authenticity, and those headline-making, all-too public breakups with a catalog of celebrity lovers - all subjects covered in detail within these pages. This book strips away the sometimes-mythical veneer of superstardom and lays bare the real Taylor as the songwriting genius she was born to be; a young woman who, after all, is as human as the rest of us, doing amazing things as well as making incredible gaffes. But with dogged determination and staying true to herself, she has been able to drive her own destiny. Love her or hate her (maybe, better to love her), she has inspired a generation of young fans across the globe, not only with her music, but with heartfelt words of wisdom. Taylor's girl-next-door public image remains intact, at least for now, and she stands firm by one of her own mantras: "No matter what happens in life, be good to people. Being good to people is a wonderful legacy to leave behind". For a simple good lesson in life, that ain't bad.*

## Tulisa - The Biography

*Kings Road Publishing Tulisa Contostavlos has one of the most fascinating and shocking life-stories in showbusiness. Her childhood included harrowing episodes of self-harm, bullying, witchcraft, drug abuse and suicide attempts. Then there has been the ever-present challenge of her mother's mental disorder which Tulisa - as the only child in a single-parent family - had to face alone. How did she rise from such a troubled and dangerous childhood to become first an edgy urban artist and then the much-loved people's princess of Saturday night television? This book, written by leading celebrity biographer Chas Newkey-Burden, tells her eventful and inspirational story for the first time. It uncovers the rich showbusiness heritage of her ancestors and then follows her through her childhood, unflinchingly examining the horrors she faced. It then traces how music became her salvation, thanks to the loving mentorship of Uncle B - the man who formed N-Dubz. The book then follows this never satisfied, always ambitious young woman as she moved into the mainstream and became the nation's sweetheart on The X Factor. The reader is taken behind the scenes to discover the reality of her successful first series on the show, as she guided Little Mix to victory. With a fine cast of supporting characters including Dappy, Fazer, Gary Barlow and Simon Cowell, this is a colourful, entertaining, insightful and shocking portrait of one of Britain's most popular female celebrities.*

## Taylor Swift

### This Is Our Song

Simon and Schuster A book about Taylor. Made with love. By fans. For fans. Ten years ago, an unknown sixteen-year-old released a self-titled debut country album. A decade later, Taylor Swift has reached record-breaking, chart-topping heights. A ten-time Grammy winner, Swift has been hailed for her songwriting talent, crossed effortlessly from country to pop, and established herself as a musician who can surprise, delight, and inspire, all while connecting with her fans in a way that only she can. Amazingly, after all these years, there is no great, comprehensive book about Swift for her fans. Until now. This book, a fan-generated celebration of Swift's first decade as an artist, collects the best writing and images from the past ten years in one gorgeous volume. From preface interviews with Swift in local Pennsylvania newspapers to major profiles in The New Yorker and Rolling Stone; from album reviews by top critics such as Robert Christgau, Sasha Frere-Jones, and Ann Powers to essays by beloved novelists like Maggie Shipstead; from Tavi Gevinson's classic ode to Swift in The Believer to Q&As with Chuck Klosterman and humorous analysis from McSweeney's and The Hairpin; from album-themed crossword puzzles and adult coloring pages to profiles of Taylor's biggest fans; from an excerpt of

the soon-to-be-published novel *Taylor Swift: Girl Detective* to a “book within a book” of Swift’s most inspiring quotations titled (naturally) *The Tao of Tay*, this book is the vital collection of all things Taylor. Here, finally, is the must-have book for every Swiftie and every music lover. For, as Klosterman wrote in *GQ*, “If you don’t take Swift seriously, you don’t take contemporary music seriously.” \* This book is a tribute to Taylor Swift, but she was not involved in its creation. \*

## SlipKnoT: ALL HOPE IS GONE

Omnibus Press With no fewer than nine members and a unique stage image based on grotesque masks and boiler suits, Slipknot retained a mystique that was unprecedented in the metal world, never allowing their faces to become known – so that the focus would remain on their music. The first edition of this book published in 2001 followed the band from their inception in Des Moines, Iowa in the mid-1990s through to the release of their second album: an updated edition followed in 2003. It’s now a decade since the first volume appeared, and in that time Slipknot have evolved into a completely different band from the one that first emerged into the limelight in 1999. Everyone knows their faces now. The band’s music is darker, deeper and more adult after four studio albums, three DVDs and a live release. Most strikingly, the sudden death of their bass player Paul Gray in 2010 has changed the face and the attitude of the group, although their commercial profile is, if anything, greater than it was before. *Slipknot: All Hope Is Gone* explores this unlikely and tragic evolution, with new chapters covering the band’s career to date – and it also asks what their future will be.

## Amy Winehouse 1983 - 2011

### The Biography

Kings Road Publishing Amy Winehouse's recent death has made the news the world over, and despite her much publicised battle with drink and drugs her passing has left the music world in a state of true shock. At just 27 years of age she sadly joins a list of greats that died before their time, including Janis Joplin, Kurt Cobain and Jim Morrison. As fans gathered outside her Camden house at the weekend to pay tribute to the singer her icon music soared to the top of the charts not only in the UK but the USA and around the world. Never far from the headlines, stories about her tumultuous personal life, wild parties and controversial drug abuse regularly featured in the newspapers. But 2011 was supposed to be the comeback for the troubled singer and she looked to be on her way last Wednesday when she appeared alongside her God daughter Dionne Bromfield. An award-winning singer, Amy Winehouse, had won a host of accolades including two prestigious Ivor Novellos, and an outstanding 5 Grammys in 2008. Blending different music styles including jazz, pop and soul Amy had an army of fans committed to her unique approach to life. This remarkably well-researched biography traces the turbulent life of the tattooed wonder from her childhood pranks, through stage school and early music to the global legend she will be remembered as.

### Ariana

### The Biography

Michael O'Mara Books Ariana Grande captured the hearts of a nation with her *One Love Manchester* concert. Less than a fortnight after a terrorist killed twenty-two people at her Manchester show, the petite princess stood tall at her tribute concert that united and healed a shaken nation. She was the emotional core of a powerful evening that reminded us all of music's redemptive power. But who is Ariana Grande? This candid book traces the US pop star's story from her childhood in Florida, through her teenage years on Broadway and Nickelodeon, and onto her gleaming pop career which has seen her described as 'the new Mariah Carey'. This unauthorized biography of the songbird tells her eventful and inspirational story in full for the first time, and shows how she became an award-winning, chart-topping pop idol, as well as an empowering inspiration for a generation of girls. It reveals that there is more to Ariana than the celebrity we all think we know, explaining how her smooth transition from a squeaky-clean teenage pop product to a sophisticated, bold artist was powered by a restless and resilient personality. A must read for all her fans, this is a full, unflinching portrait of a pop sensation and inspiring, uncompromising woman - the small, sassy girl with the ponytail who conquered the world.

## Michael Jackson - Legend

### 1958-2009

*Michael O'Mara Books* When the world heard the news on 25 June 2009 that Michael Jackson had died, it was both a shocking end to a cruelly curtailed and extraordinary life, and a not unexpected finale to a story that had been shot through with tragedy and darkness since its beginning. From his early success in the Jackson 5 as a young boy to becoming the self-styled King of Pop, Jackson lived his whole life in the limelight. Yet he once described himself as one of the loneliest people in the world and his personal life was a constant source of controversy, culminating in his very public fall from grace with his trial for sexual abuse and astonishing debts of \$300 million. Millions of fans were looking forward to the 50 planned comeback concerts which were to be the triumphant happy ending to his story, but he died just weeks before they were due to take place. In this fascinating and eye-opening biography, Chas Newkey-Burden separates the man from the myth, unflinchingly examining the more contentious areas of his life while also celebrating the undeniable achievements of this undisputed musical genius. *Michael Jackson Legend* will honour the memory of a man who gave so much joy to so many millions around the world.

## Hotel Babylon

*Random House* 'Something strange occurs to guests as soon as they check in. Even if in real life they are perfectly well-mannered, decent people with proper balanced relationships, as soon as they spin through the revolving hotel doors the normal rules of behaviour no longer seem to apply.' All of the following is true. Only the names have been changed to protect the guilty. All the anecdotes, the stories, the characters, the situations, the highs, the lows, the scams, the drugs, the misery, the love, the death and the insanity are exactly as was told by Anonymous - someone who has spent his whole career working in hotels at the heart of London's luxury hotel industry. However, for legal reasons, the stories now take place in a fictitious hotel known as Hotel Babylon. More than a decade is compressed into a day. Everything else is as it should be. The rich spend money, the hotel makes money and the chambermaids still fight the bellboys over a two-pound coin. It's just another twenty-four hours in an expensive London hotel.
