#### HANDBOOK OF HANDGUNS

---

**Lulu.com** In light of the 2nd Amendment debates, shooting may become the national passtime. To act responsibly within the 2nd Amendment, means knowing how to properly "bear arms". Knowing involves understanding firearm types, firearm operation, ammunition, internal ballistics, and shooting. These require training, especially shooting. Whether you own or plan to own a handgun for recreation, competition, or self-defense, training is of the utmost importance. When you fire a projectile (bullet) from a firearm, you are responsible for where it goes. You need to understand how fast it travels, how far it can travel, and how accurate your firearm is in delivering the projectile to your intended target. Yes, bearing arms is a right, but not one to be taken lightly. Firing a handgun is a grave responsibility and must be done correctly and with a full understanding of all the components that make up "shooting".

## JULIAN'S SHADOW

---

**American Book Publishing** Julian St. Laurent is being targeted for murder and doesn't know why. For the antiquities professor, life's highway has been a cone-cluttered construction project. Julian is blindsided by yet another "cone" when he is drawn into the homicide investigation of his best friend, the Reverend Cooper Saltonstall. In the process he is forced to reevaluate all the previously conceived truths of his life. Julian finds Cooper's personal Bible. Marked in the margins, in red ink, is a single word: Amphilochous. The rubric leads him on the quest for an ancient papyrus originally discovered in an Alexander the Great treasure trove by U.S. Special Forces while foraging through caves in the Hindu Kush mountain range in Afghanistan. Following an obscure set of clues left by Cooper, Julian and Livy, his former lover, are on their own to find the ancient document. They elude their pursuers only to become buried in the catacombs of Boston's Trinity Church. It is September 11, 2001. In the shadow cast by the day, Julian contemplates the loathsome and absurd cruelties perpetrated by humans upon other humans—in his circumstance and in the World Trade Center—simply in the name of two-thousand-year-old scripture. As the magnitude of the World Trade Center attack filters through the airwaves, Julian asks himself, What if the scriptures are wrong? Uncertainty tears at him. Should he keep the text hidden? Or should he expose it to the world in order to bring scrutiny upon all scripture with possible calamitous repercussions that could wreak havoc on Western Civilization?

### TEMPS DE RATES (PREMI CRIMS DE TINTA 2017)

---

**La Magrana** PREPARA'T PER NO PARAR DE CÓRRER. Tot comença quan un traficant que fugí encoloma una motxilla plena de cocaïna al seu veí de replà. Vuit quilos de no res. I que li guardi mentre és fora, li diu. L'Eloi -perquè el veí es diu Eloi- s'espanta, pateix, no sap què fer. I així passa les setmanes, mort de por amb els vuit quilos sota el llit. Però un dia, per lluir davant els col·legues del parc, n'agafa una mica. I després una mica més. I conviden unes noies, també. Quines festes, xaval. I això el fa popular al barri, és clar. El rei del mambo, que diríem. Però també atreu l'atenció dels mafiosos de la Verneda, els rivals del traficant, els mossos corruptes... que cada cop tenen més ganes de saber qui és aquest Eloi i d'on surt tanta coca de primera qualitat.

### NATHAN AND PRISCILLA: DREAM DENIED

---

**Lulu Press, Inc** The overly American, Nathan Ward, youngest recipient of the Nobel Prize for Literature, fell hard for the British aristocratic, Lady Priscilla Pepper, Royal Liaison for Buckingham Palace, who fell interminably for him, and together, they are the celebrated: Most Romantic Couple in the World. Individually, they may have had a semblance of a chance, but as "Nathan and Priscilla," no lovers have been in greater peril. Yes, it is politics as usual: a king with a scheme and the Central Interference Agency determined to thwart it, but murder, the most effective problemsolver in the world, is not enough, even when it is the most romantic couple in the world pulling the trigger. There was never any Hero and Leander or Romeo and Juliet, but for the true romanticist, there is Nathan and Priscilla, living on the heights where every slip is a fall and everyone is falling, including Nathan and Priscilla.
